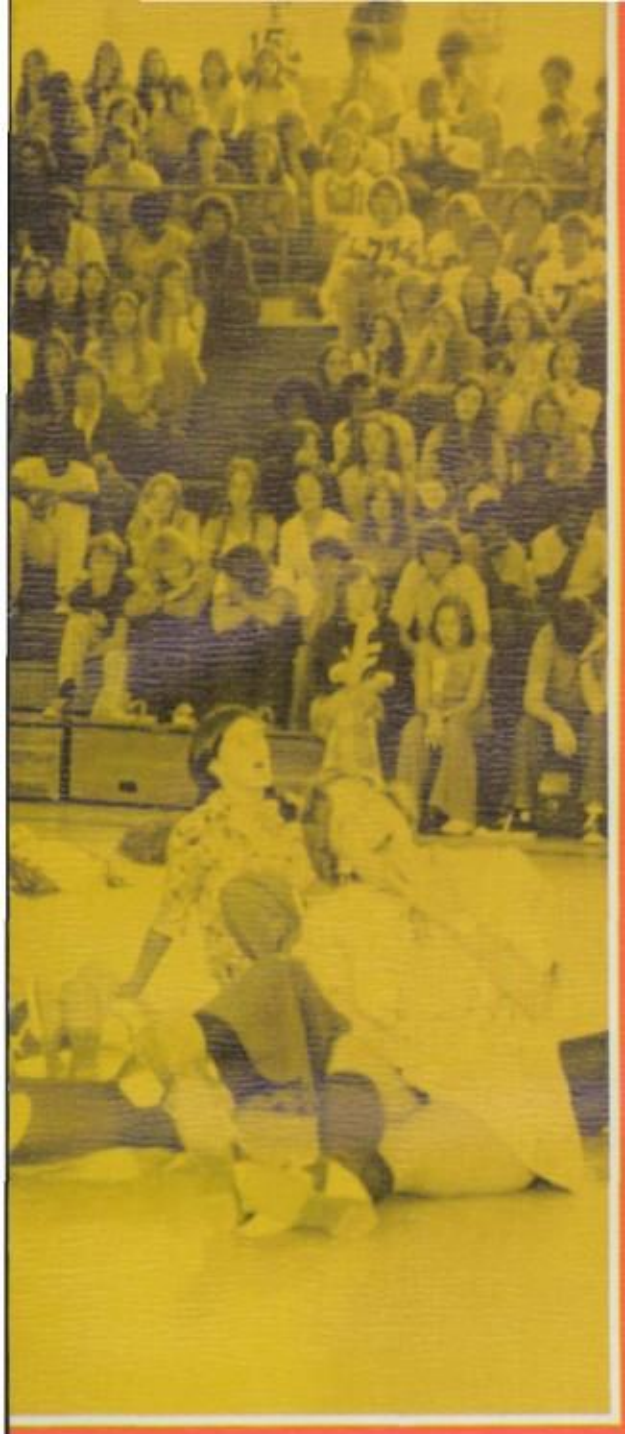
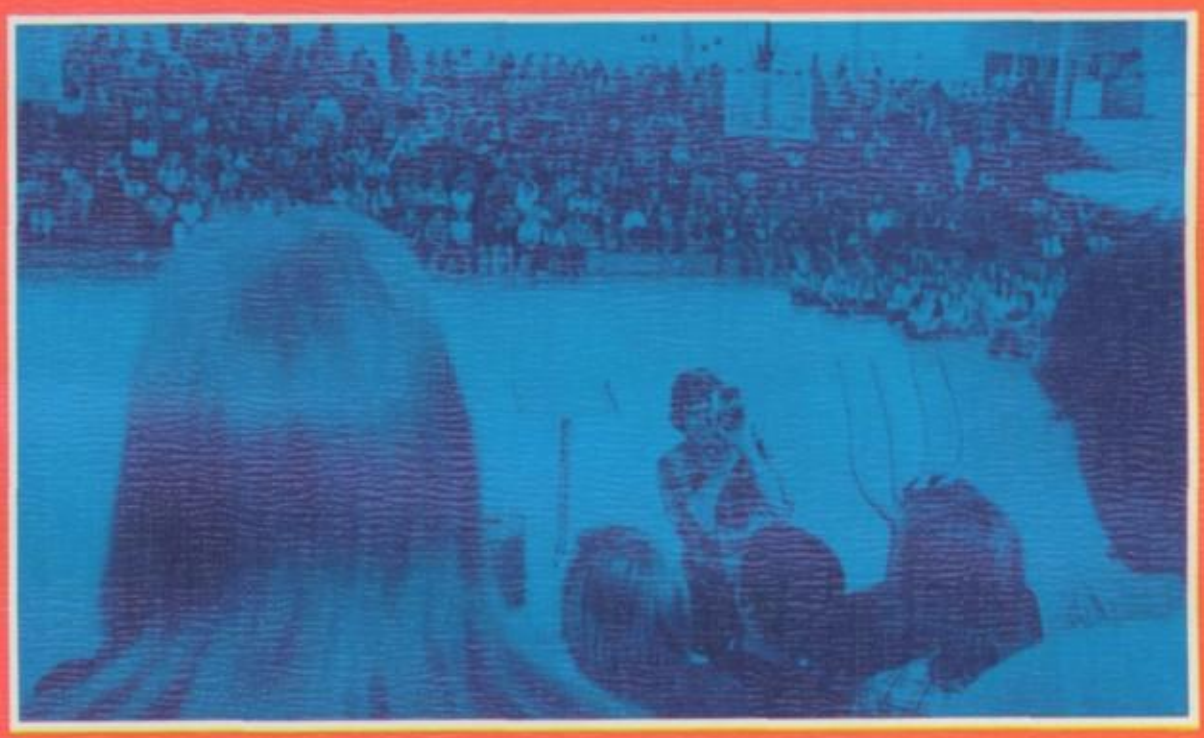
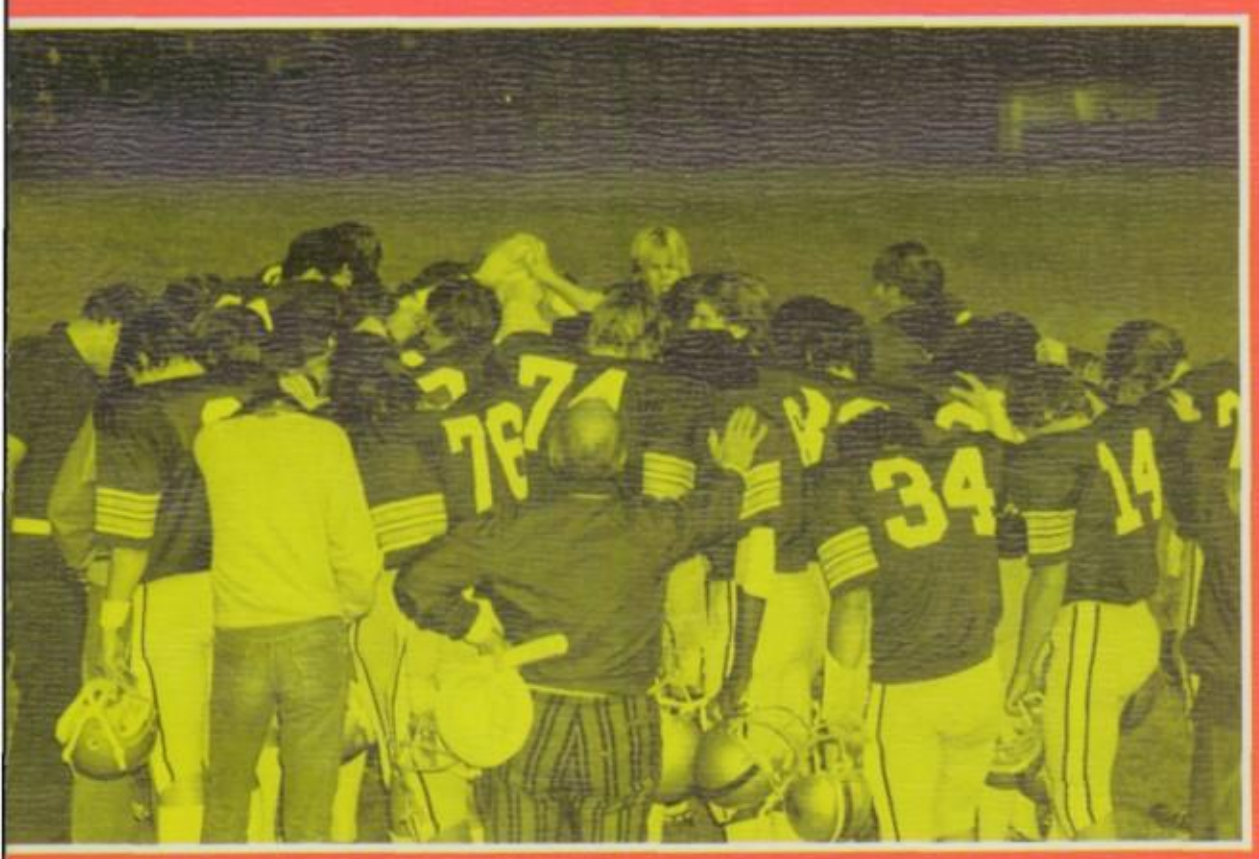
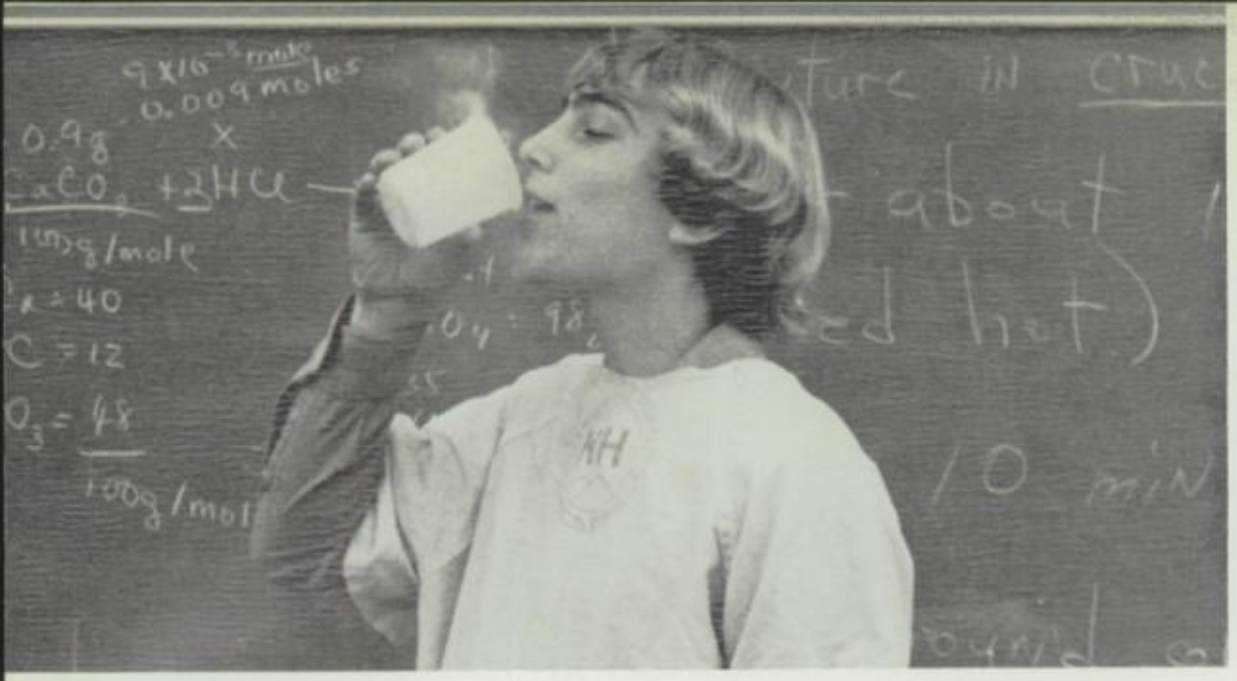
OLYMPIAN



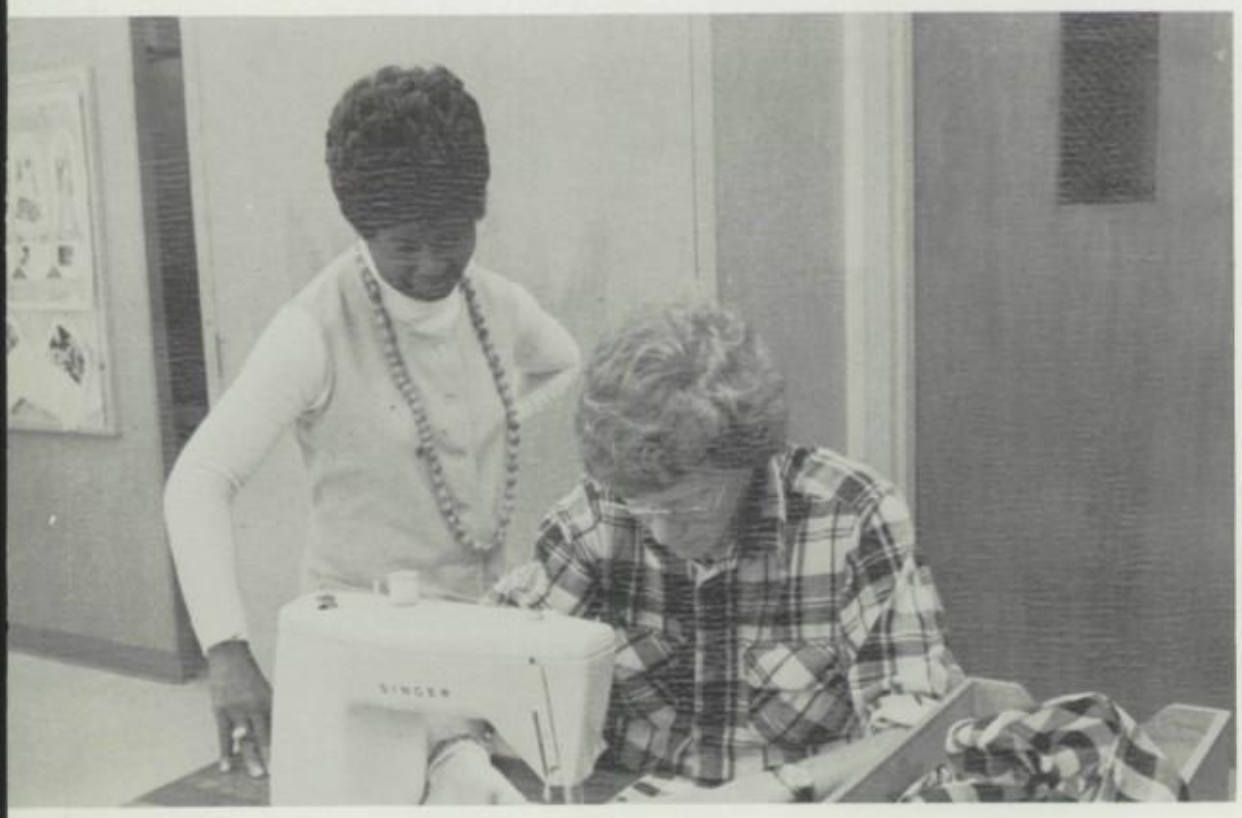
As the stadium lights brighten for the first football game, the realization comes that the endless practices and pep rallies are the well-paid price for the anticipated victories.

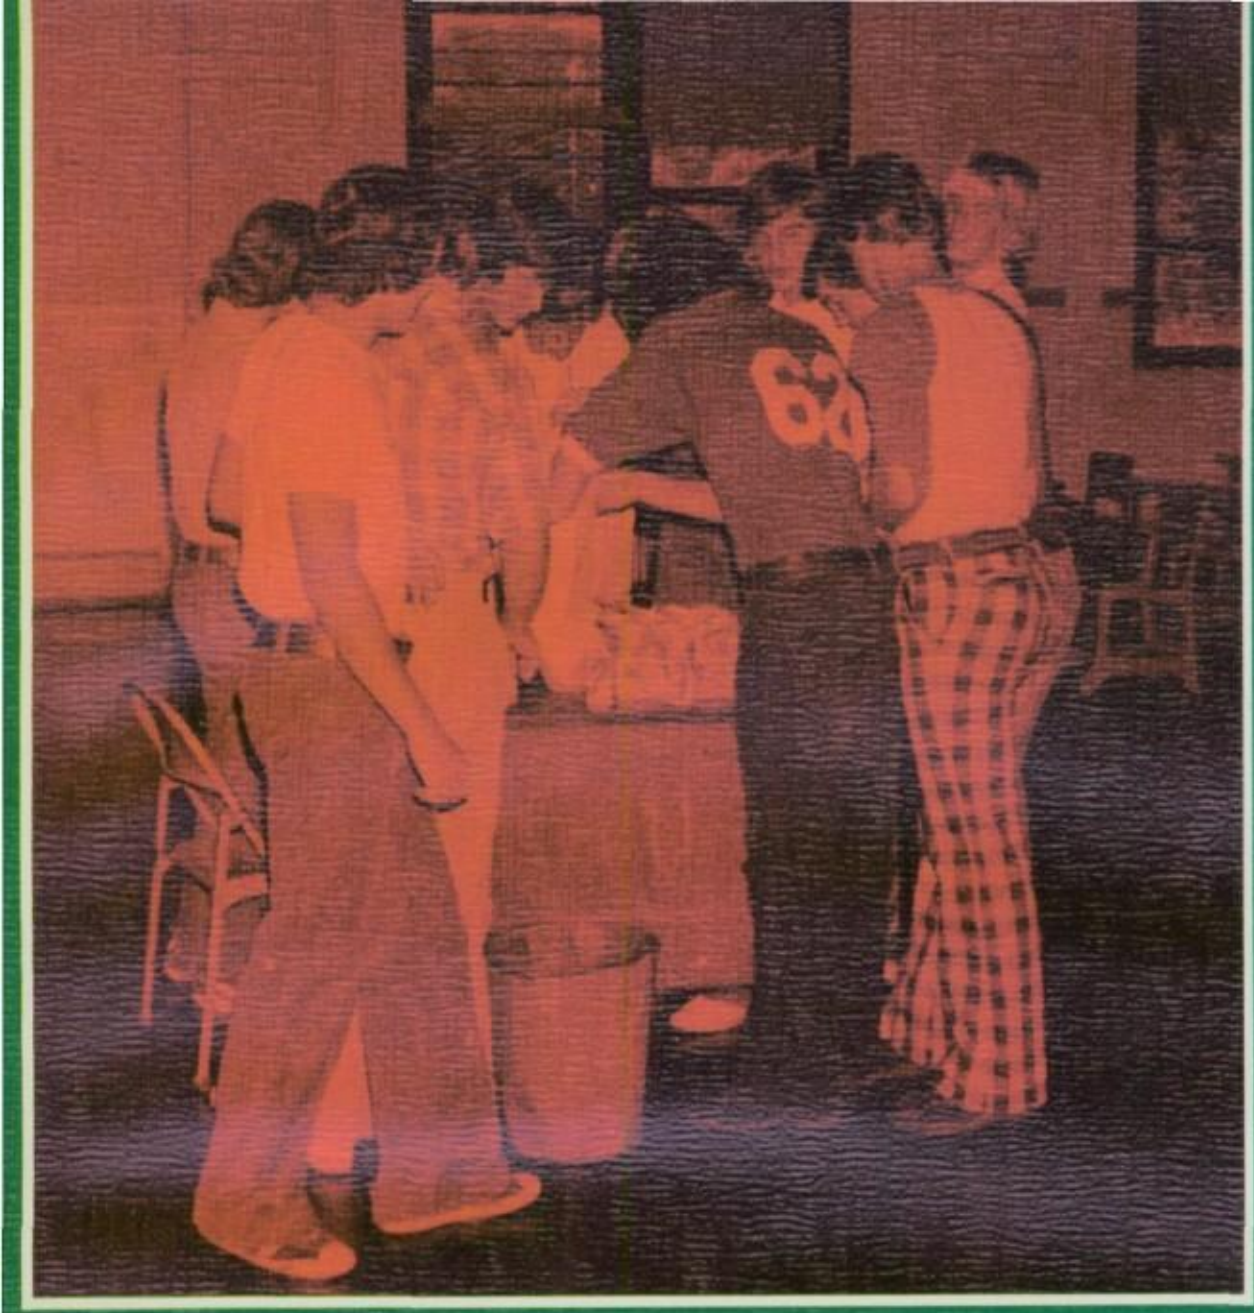




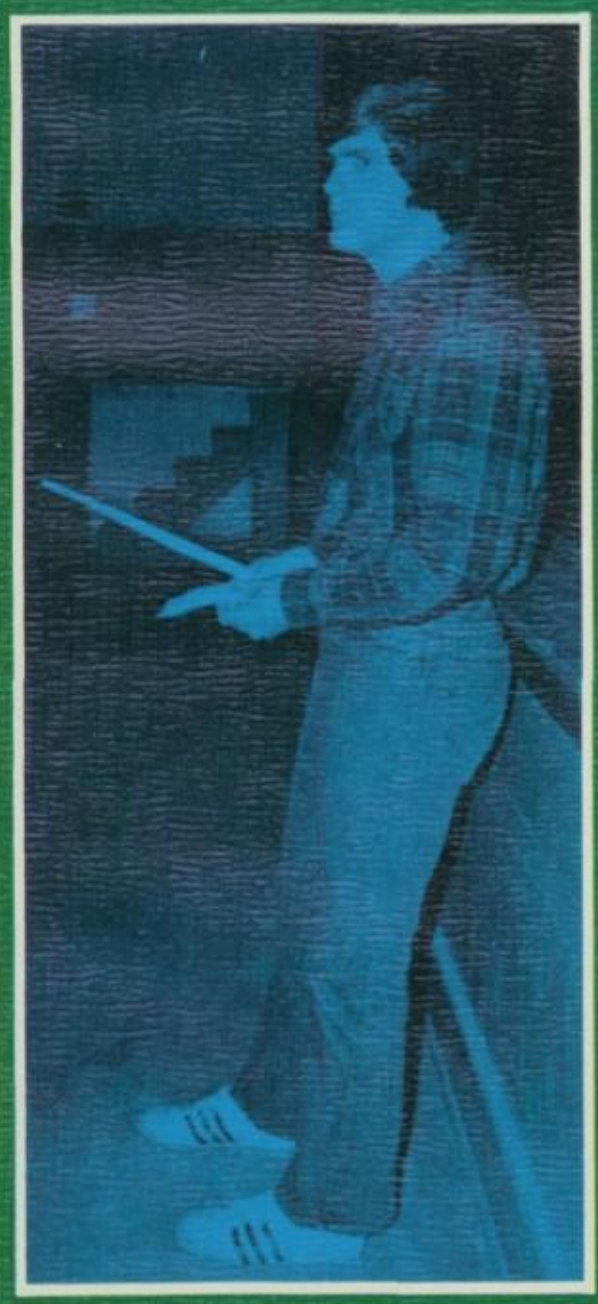


With the beginning of the new year comes many new and innovative methods of teaching.





The pride and spirit of the students begin to grow as the many activities, elections and organizations get under way.



As the new year begins and new events happen, the literary publications document student life.

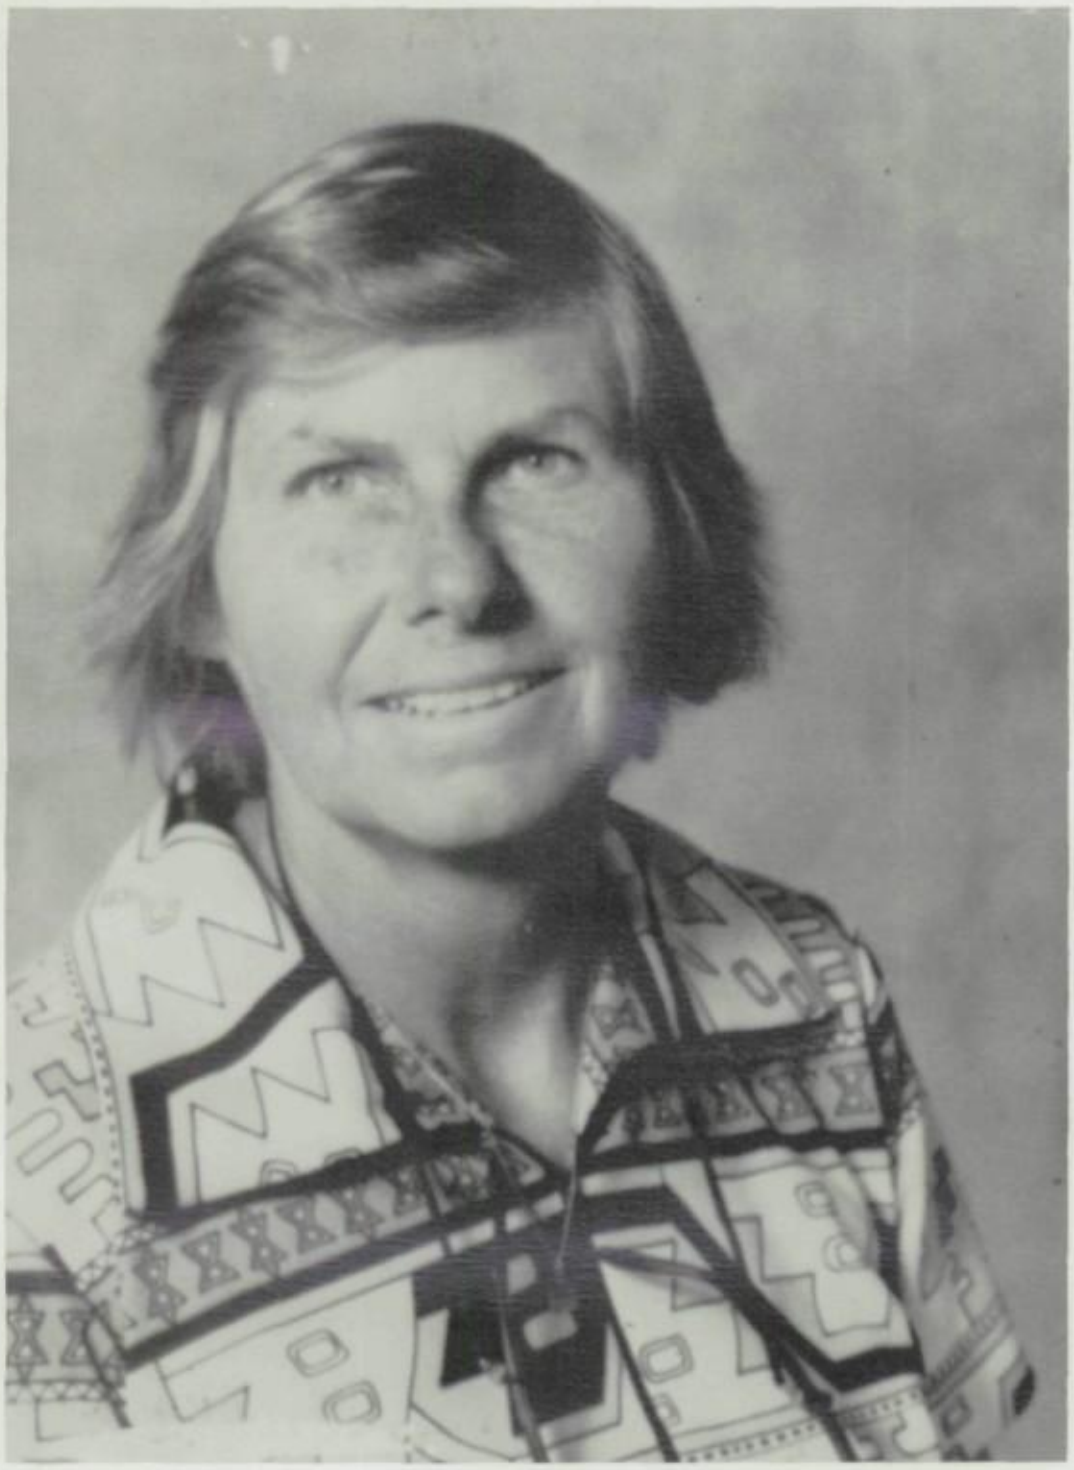
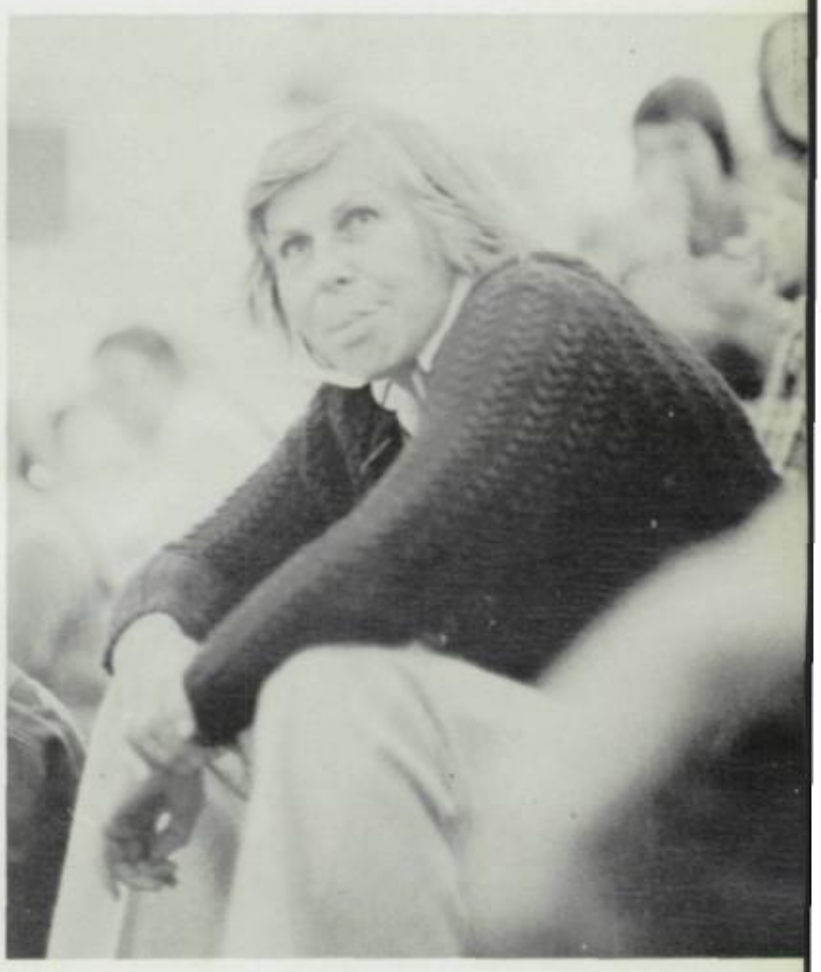
Truly An Individual . . .





And because you are truly an individual, we admire you. And because we admire you for your love of scholarship, your avid interest and participation in sports of all kinds, we feel that you are a versatile individual. Whether filling the role of Mother, Grandmother, Teacher, Sports Enthusiast, Gardener, or Cultural devotee, your uniqueness as an individual has inspired us to dedicate the 1975 OLYMPIAN to you,

Mrs. Emma McCaughey Kohler

Did You Know That . . .

. . . the OLYMPIAN staff is introducing a new section this year? The purpose of this section is to recognize the many talents and hobbies of our students. These activities range from dog training to ballet dancing. We feel the many and varied interests of the students deserve some recognition as it takes dedication to be successful with them.

Lynne Taylor and Kathy Kelly are members of the Marietta School of Ballet.

Patricia Howard has become quite an accomplished guitarist. She plays mostly for her own pleasure.

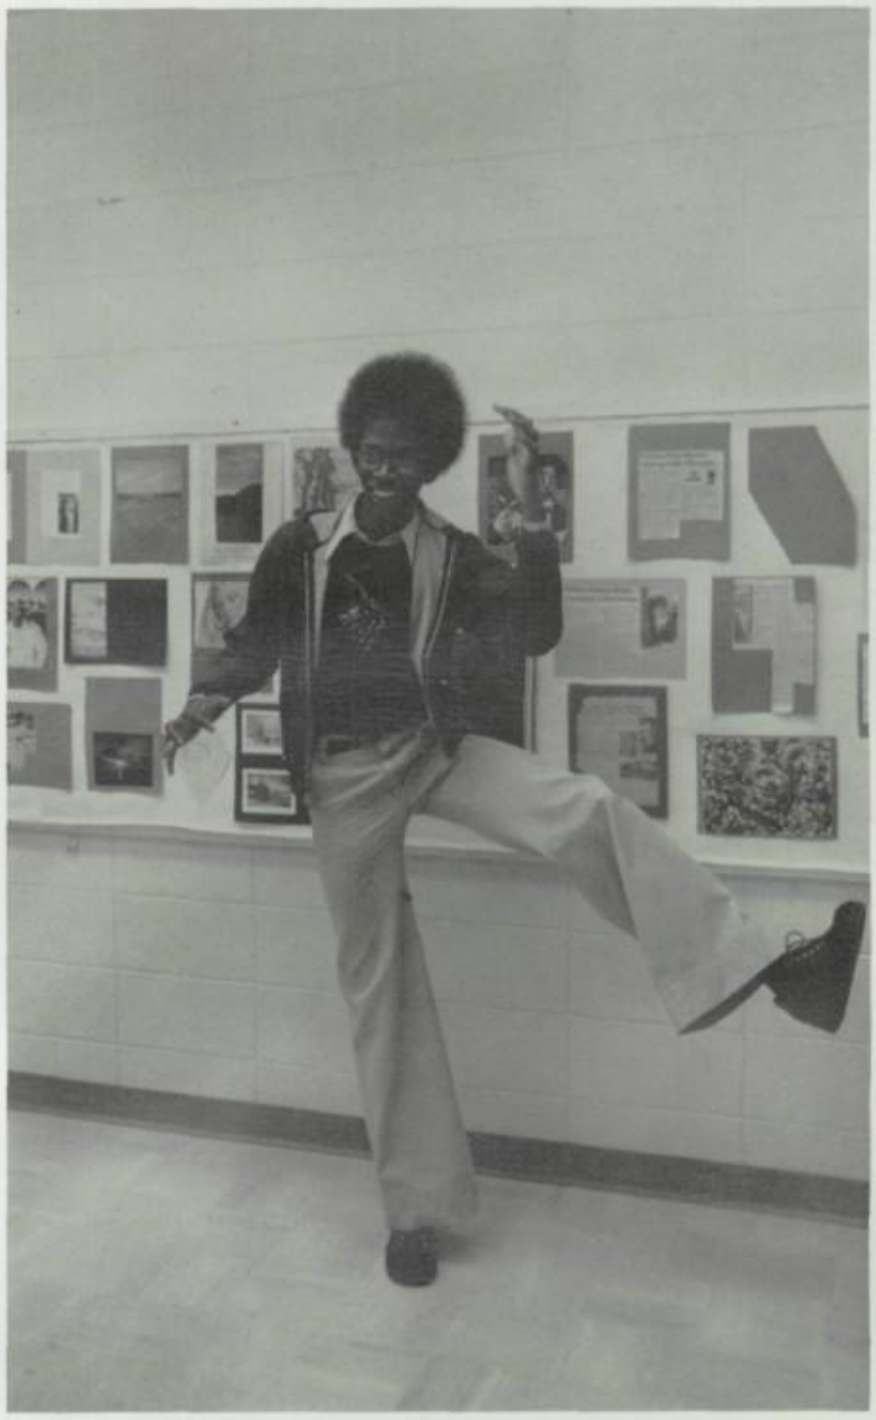
Becky Fortson has a newly acquired hobby — the banjo. She is now boasting a three-song repertoire.

David Parks, Ellen Coggins, Ben Shoemake, and Joy Richardson spend most of their free time ice skating.

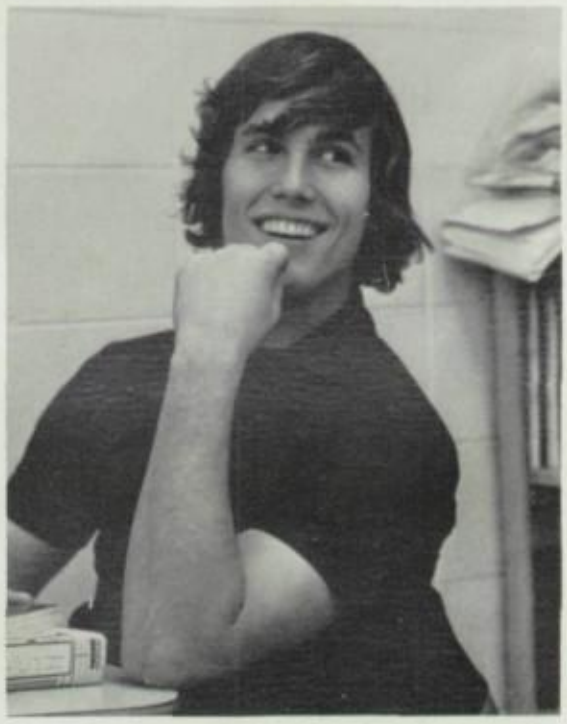
If you want to learn to do the "bump," just ask Floyd Martin. He is currently on PARTY! on Saturdays on Channel 17.

If you are a male and would rather learn from a prettier instructor, just ask Travita Gresham.

Janet Goodman has been training her dogs for almost a year now. Her favorite pupils are Roark and Cherie.



Horses are the favorite pastime of Pam Roukoski and Lee Rohner. Pam has been riding for many years and her basement shows it; it is full of ribbons from various shows. Lee rides just for fun and is breaking her new colt, Chisca.



As the sun rises, we find the OLYMPIAN staff working on the decorations for the Superlatives Assembly, and sets as the Homecoming Queen is crowned.

Straight from GONE WITH THE WIND.

Hey, what are ya'll looking at?

Will the real Mr. Bonds please stand up!

No wonder you all lost the class competition!

Paaaaaaaaaarty!!!

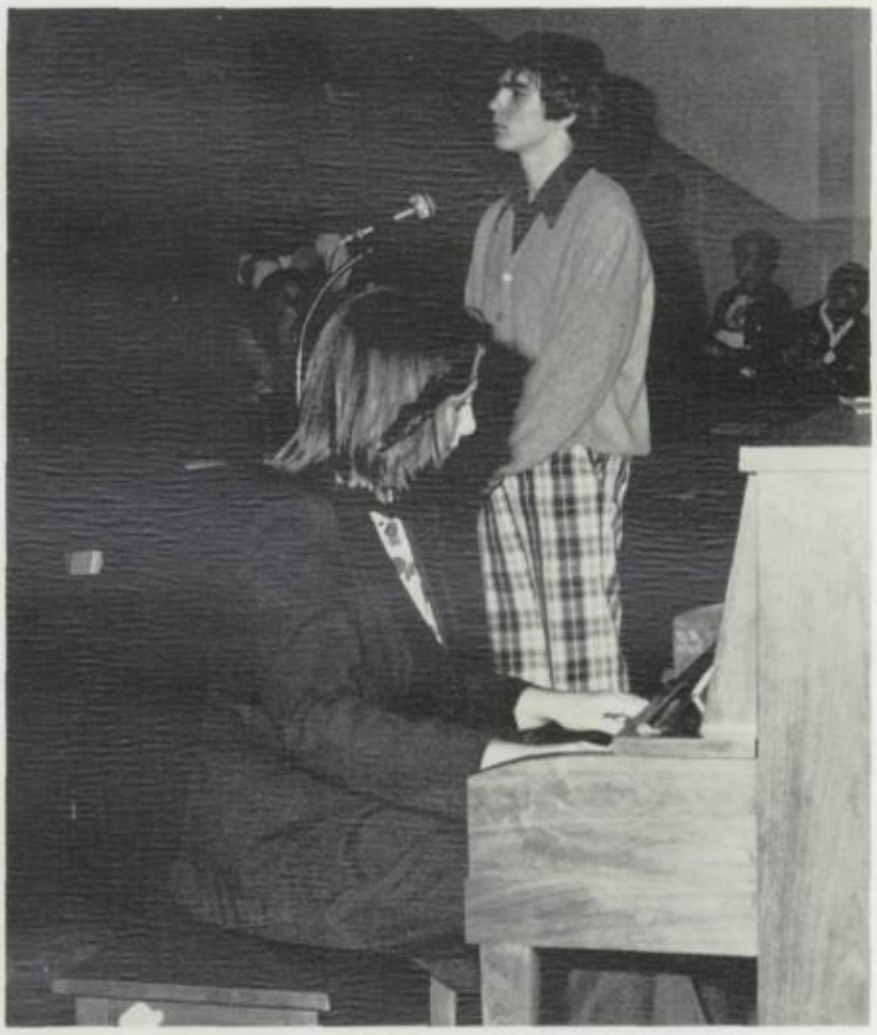
My mamma did tell me about Ultra-brite!

During the 74-75 year, the activities of the M.H.S. students have been many. There have been dances, assemblies, and honors. The honored students at Marietta have earned a special place in student body. The students realized the dedication involved in developing individual talents. They recognized the talented classmates that deserved special honors.

During the year we have had many special programs including pep rallies, skits, plays, and guest speakers. All of these activities and others have made 1974-1975 a particularly memorable and meaningful year for students and staff alike.

It's with great pleasure that I give you this . . .

Alan, you'll never win a beauty contest that way!



Nancy, hurry with the intro, I'm ready to sing!

Caught in the act.

Go, Gayle, go!!

Now, a fountain. Trickle, trickle, trickle.

Ice Creeeeeeaaaaammmmm!!!

Well, my friends. Ya got trouble!!

Well, when I was a boy . . .

Music Man

In the spring of 1974, a swindling traveling salesman by the name of "Professor" Harold Hill, alias Bryan Parker, brought "Seventy-Six Trombones" into the lives of the "Iowa Stubborn" people of River City. "Trouble" had invaded River City, and Hill, along with his side-kick Marcellus (Dan McCall) tried to start a boy's band. The self-educated librarian-piano teacher, played by Gayle Baily, along with Mayor Shinn (William Pender), are not so easily swayed by the "Professor." Hill tries to win the love of Marian, but she will have nothing to do with him. "If You Don't Mind My Saying So," Mrs. Paroo, Marian's Irish mother played by Valerie McCormick, wants Marian to marry him. Yet Marian has her own idea of "My White Knight."

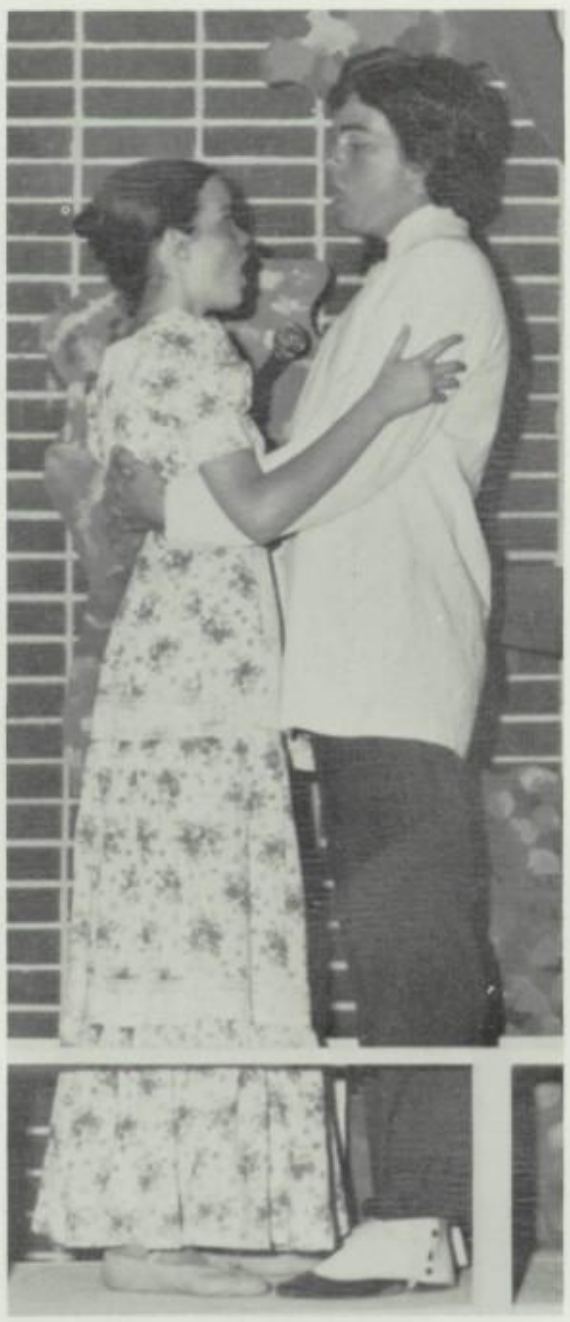
Hill has problems convincing the townspeople, especially the school board — and as he almost has the people convinced another traveling salesman, Charlie Cowell (Bruce Pilgrim) has papers to prove Hill is a phony. Marian tries to stall Charlie and keep him from revealing Hill. In the meantime, the entire town is after the "Professor," and he is eventually caught. Marian stands up for Hill, and finally she introduces the boys' band. The people are appalled at the boy's ability to play.

The choral department expresses many thanks to Mrs. Beverly Henrich, director, Mr. Bill Rabb, art, and Ms. Gina Davis, drama advisor.

I can't believe it's a girdle!

It's not nice to fool Mother Nature!

I got some hot!



No hazing on school property!

Star Student is determined from the scores of the seniors who take the November or December SAT. The scores are compared and the highest scorer is the Star Student for the high school. Each Star Student chooses a teacher who he feels has benefited him most during his high school career. This year, James has picked Mr. Terry Segers as his Star Teacher. Congratulations, to James and Mr. Segers.

Homecoming 1974

Homecoming 1974 was filled with excitement! Football practice, homecoming queen nominations, and extra band rehearsals were all in preparation for the one special night. During this night there was spirit and support as all stood behind the Big Blue Machine. There was anticipation as all waited for the crowning of the new homecoming queen. There was festivity, for after the exciting game, the annual dance was held in the gym. The dance was a glamorous climax of a week of Homecoming activity.

What is the perfect high school student? What characteristics would he have? They would be well-rounded with varied interests encompassing all types of high school activities; they would be all the Superlatives rolled into one — best looking, most intellectual, friendliest. This is the person who is recognized as Mr. and Miss M.H.S., the person chosen to epitomize the spirit of Marietta High School.

Superlative Assembly

Tradition has it at M.H.S., that on the Friday we leave for our much-awaited Christmas holidays, we have our Superlative Assembly. Seniors have voted earlier in the week for those seniors who, in their opinion, exhibited the qualities which made them MOST. There is an air of excitement mingled with the fragrant cedar which has been decorated in the "old fashioned" way.

This year, the OLYMPIAN staff, who always sponsors this much-awaited event, were festively dressed as toys from under the tree. The band, Concert Choir, and the First Methodist handbell ringers gave us some Christmas-spirit-building music. Mr. Commins and the "Sorghum Syrup Soppers" performed. Sean Randall sang "White Christmas," and everyone cheered and felt a definite surge of pride for each nominee.

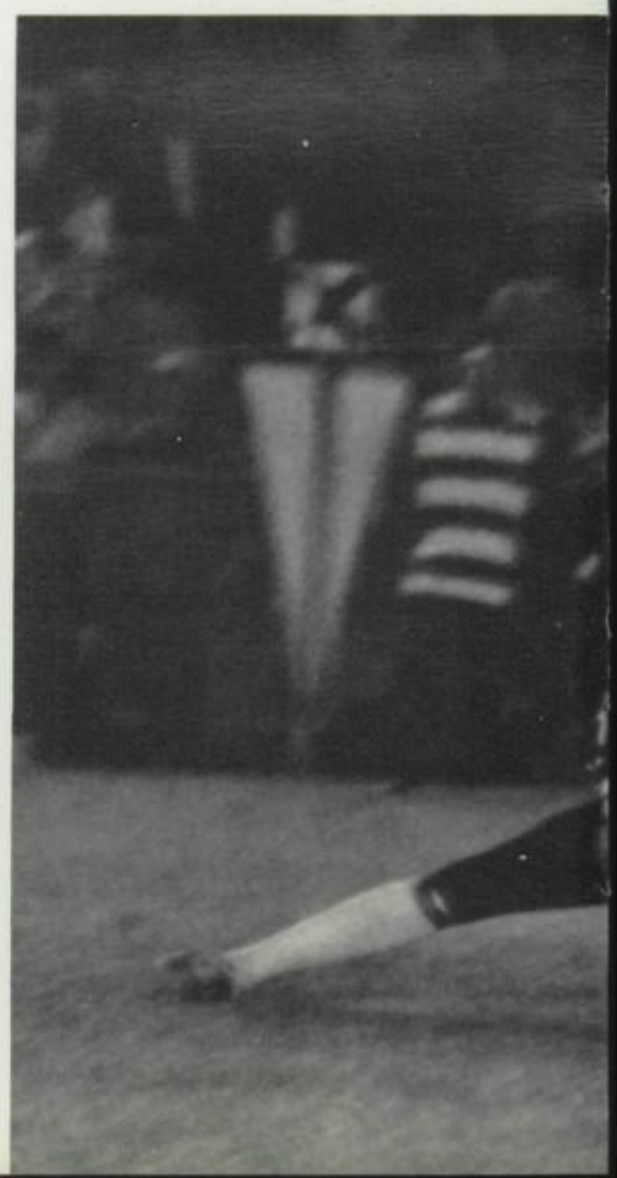
Football 1974 . . .



It all began in February with spring practice when the varsity squad was picked. All summer long the football players prepared for the long, uphill climb, by pumping weights and drilling basic skills. The Blue Devils started the season on a promising note, rolling over Osborne. As the season progressed, the Devils got bogged down by North Cobb and South Cobb squeaking past them. With the Wheeler game approaching, a fevered anticipation overcame the entire student body. Friday night Devil pride ruled. Marietta surprised the undefeated ball club, holding its offense scoreless until the fourth quarter.

One of the hardest working groups on campus is our cheerleading squad. Cheerleaders were picked in the spring. They prepared for cheerleading camp in the summer. At camp the cheerleaders learned new cheers and planned for the school year.

Finally, school started again. They immediately got to work. Pep rallies were extremely successful with close competition between every class. Students left the pep rallies in a fervor of eager anticipation of the upcoming game.

Our cheerleaders deserve a round of applause for their hard work and devotion to Marietta High. Being a cheerleader involves cheering at every varsity basketball and football game. Many hours are put in preparing posters and skits.

The boys' and girls' varsity teams wound up another year of basketball this past February. The girls started off like a house afire but were mellowed after the Christmas break. A few of the highlights of their season were the Douglas County game where the girls won 74 to 42. In this game Sheryl Fowler scored 33 points and Lee Rohner had 21 rebounds.

The boys had another great season ending with a record of 13 wins and 6 losses. In the Christmas Tournament the boys came in second place losing to Wills by only 2 points. Charlie Coles was named to the All-Tournament Team. One of the most memorable games, especially to Ronnie Bethel, was against Wheeler where a last second shot by Bethel from half-court won the game 67 to 65. Both of these teams deserve much recognition for their performances.

GO

GIRL

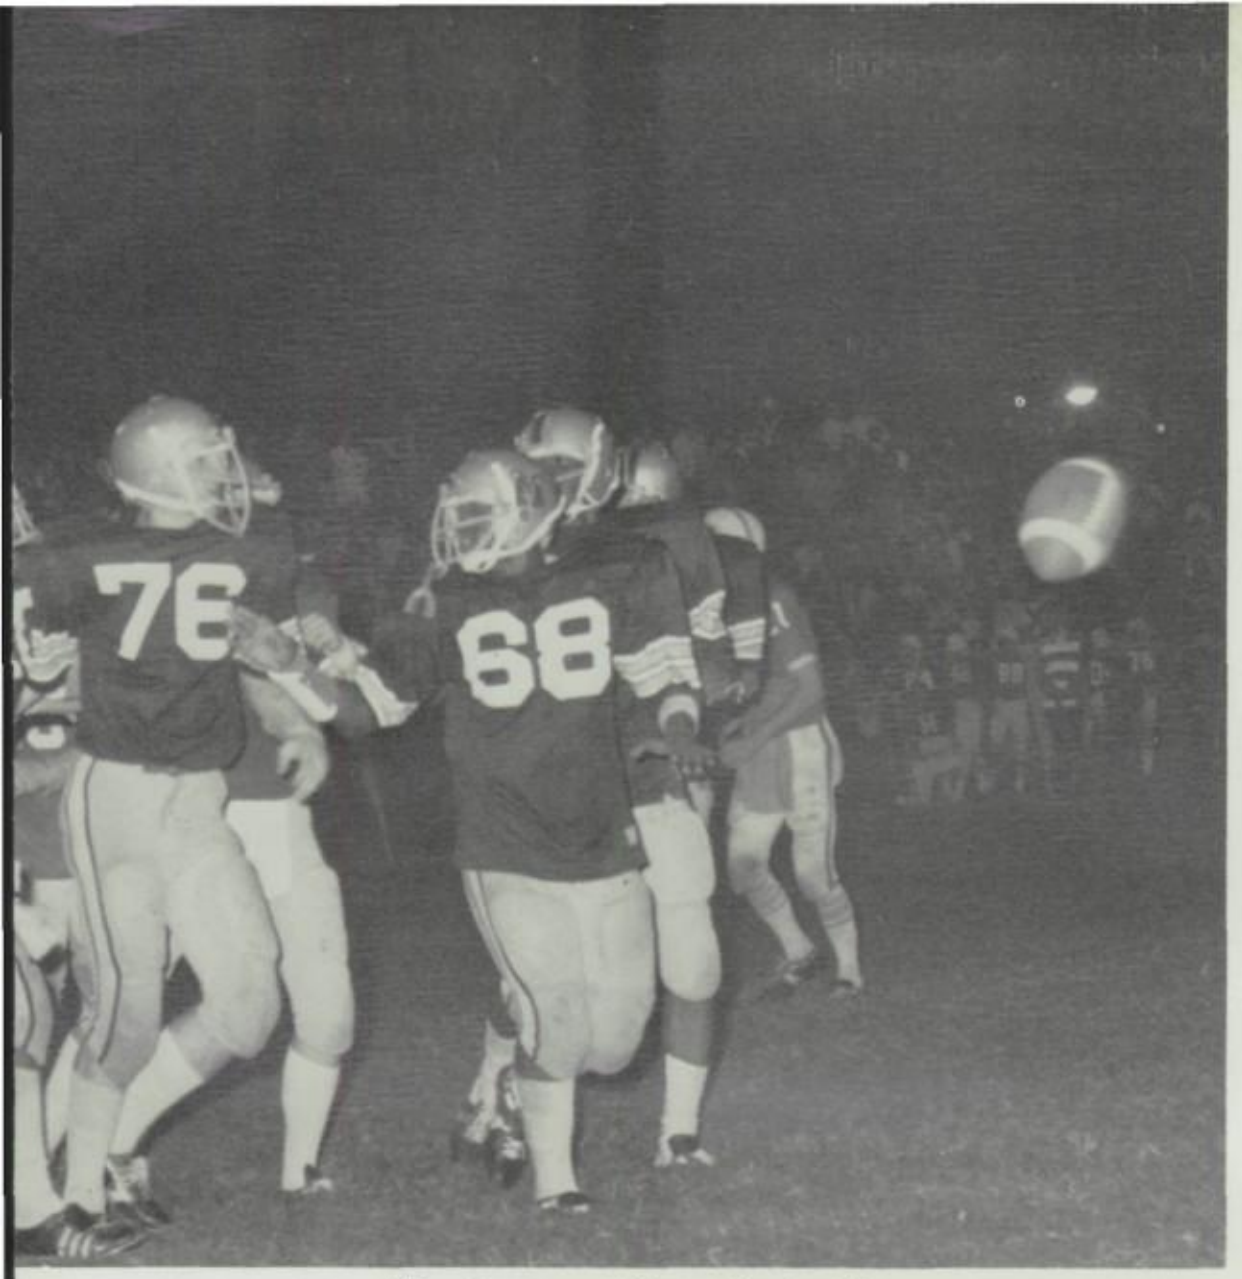
GO!!!

A well-known fling of 33 feet, 5½ inches hurdled Geraldine Phillips into competition in the 1974 Junior Olympics. This event was held in Spartanburg, South Carolina where she competed in the shot-put.

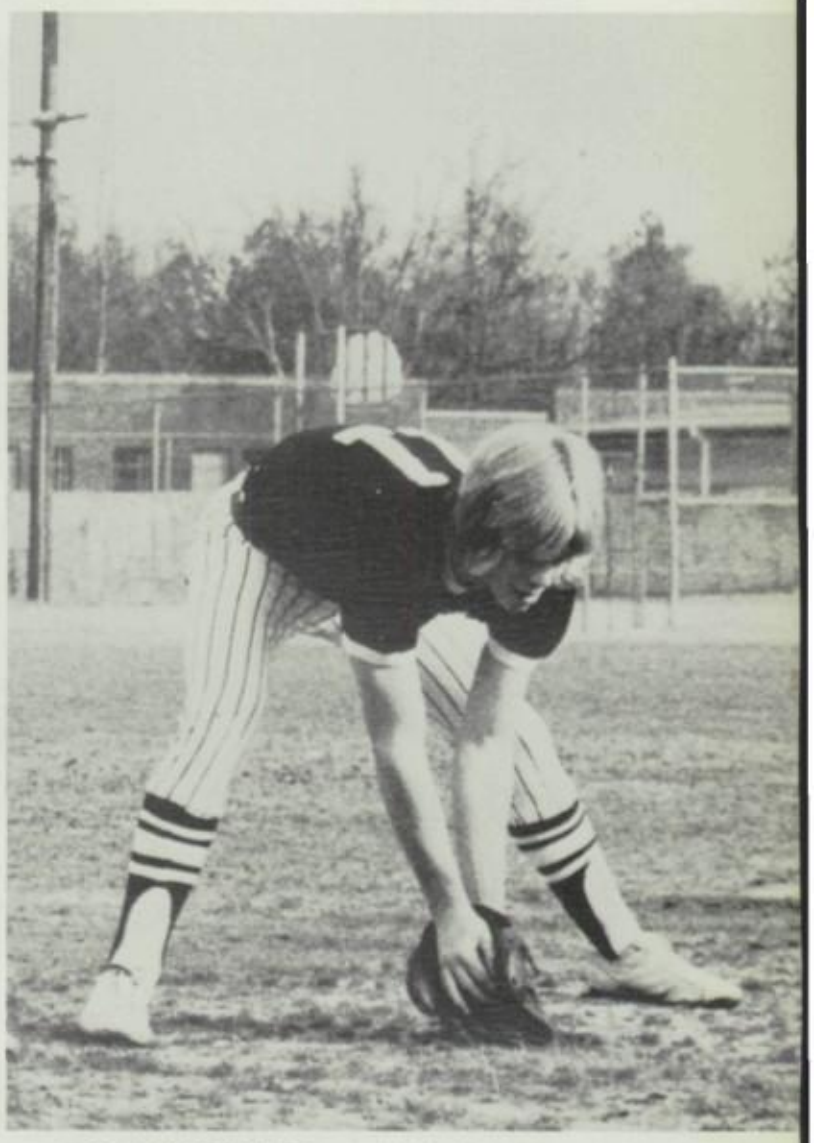
Geraldine won first place and a gold medal in Spartanburg with a toss of 35 feet, 11¾ inches. Although she took a first place, she could not advance to the nationals at the University of Nebraska on August 8, 1974, because there was not a national event in the girls' shot-put.

The first time she ever threw the 8 pound shot in competition was in a tri-meet with Marietta, Dalton and Cherokee in the spring of 1974. She won with a throw of 34 feet, 9½ inches. She fell in love with the event and became the terror of Region 5-AAA with a toss of 36 feet, 5 inches to win the shot-put title last year. Later, she finished second in the state with a 34 feet, 7 inch toss.

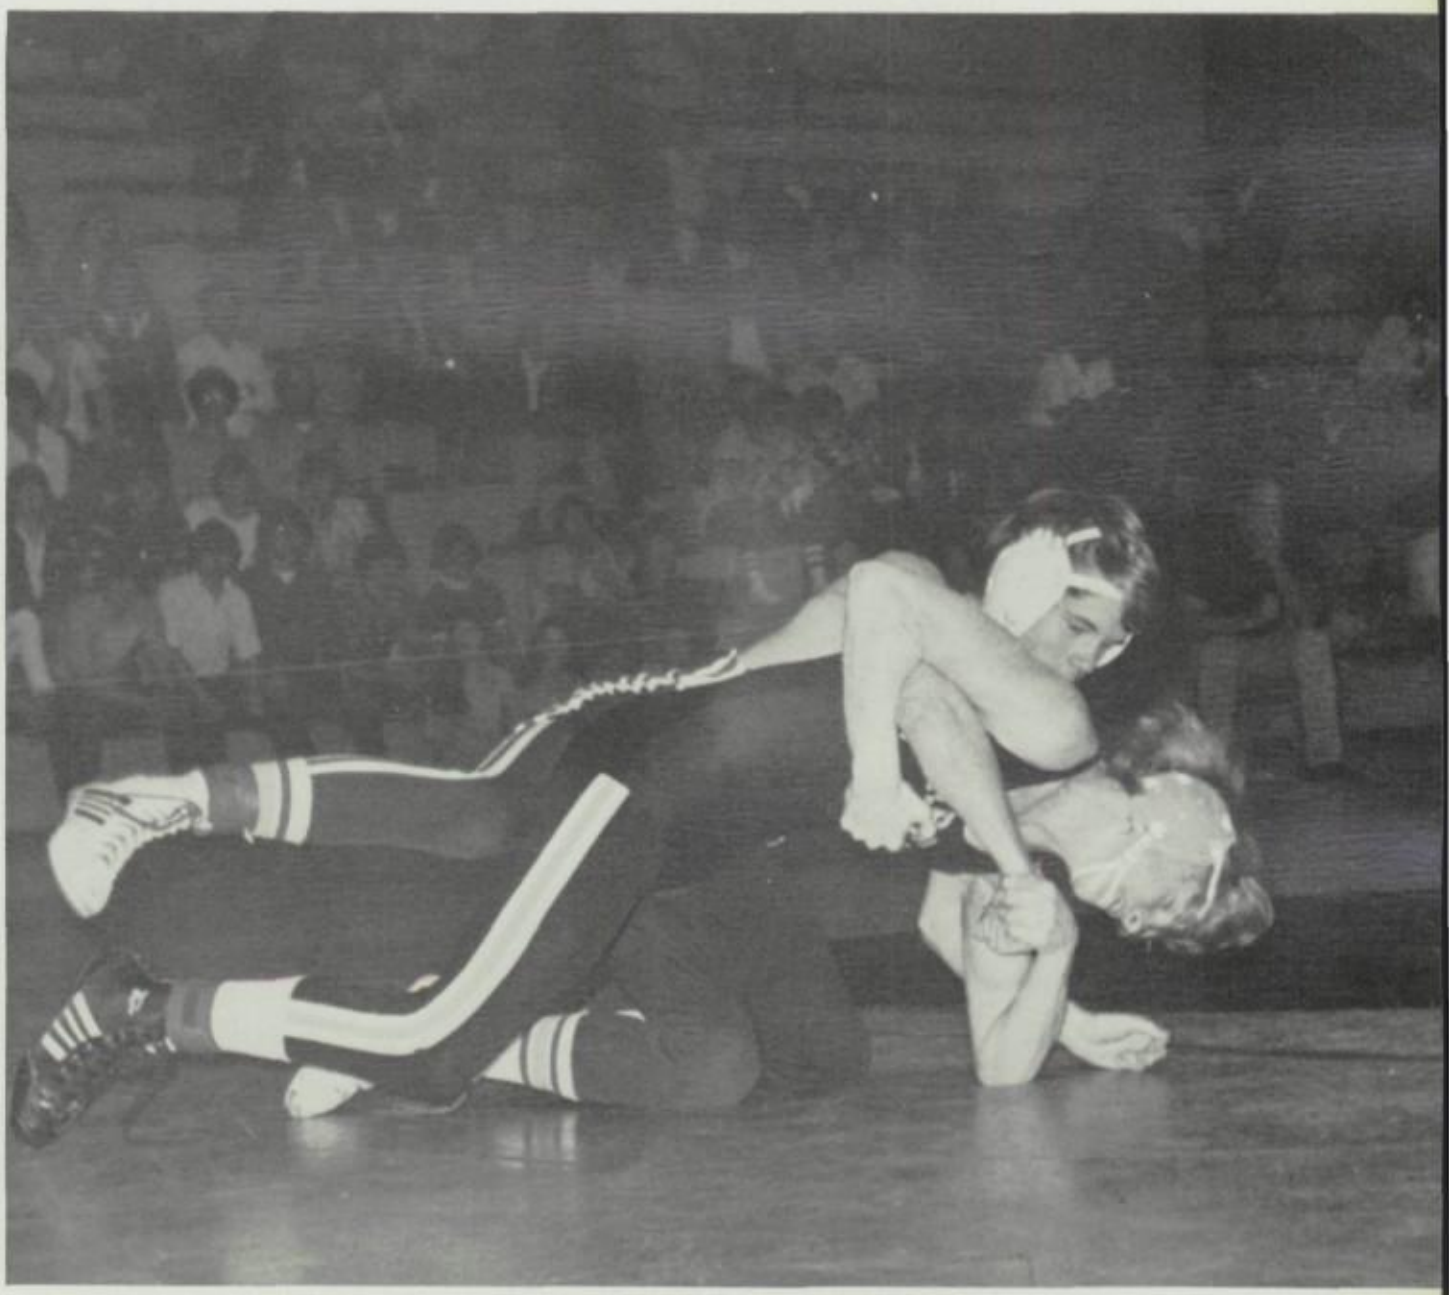
Marietta High School was justly proud for Geraldine.



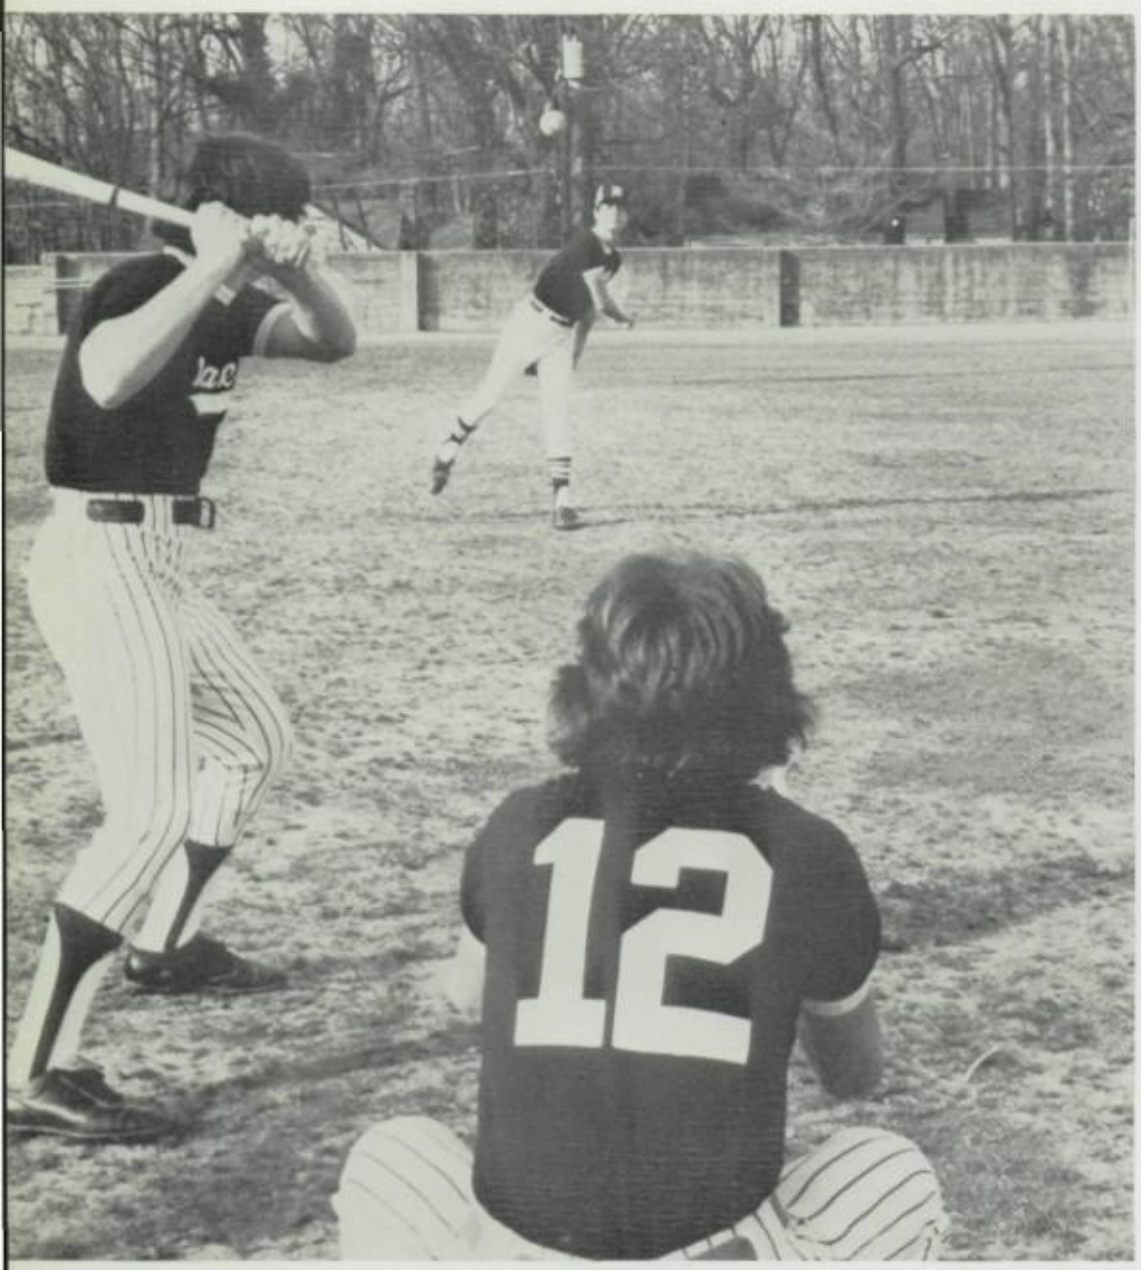
"Ronnie, you get this one. I'm tired."



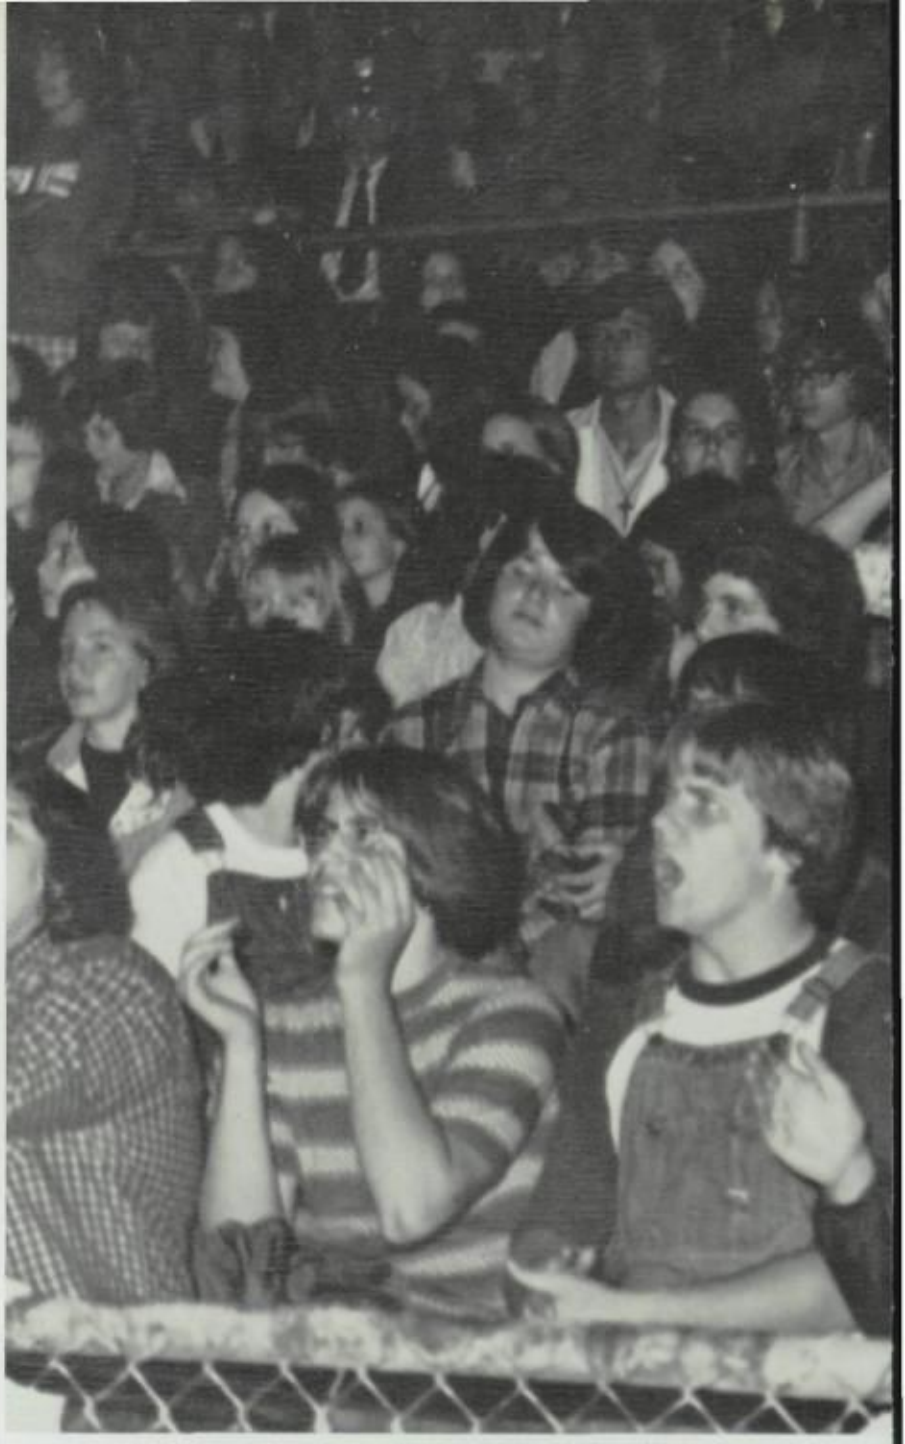
DOWN! SET! HUT! oops! Wrong game.



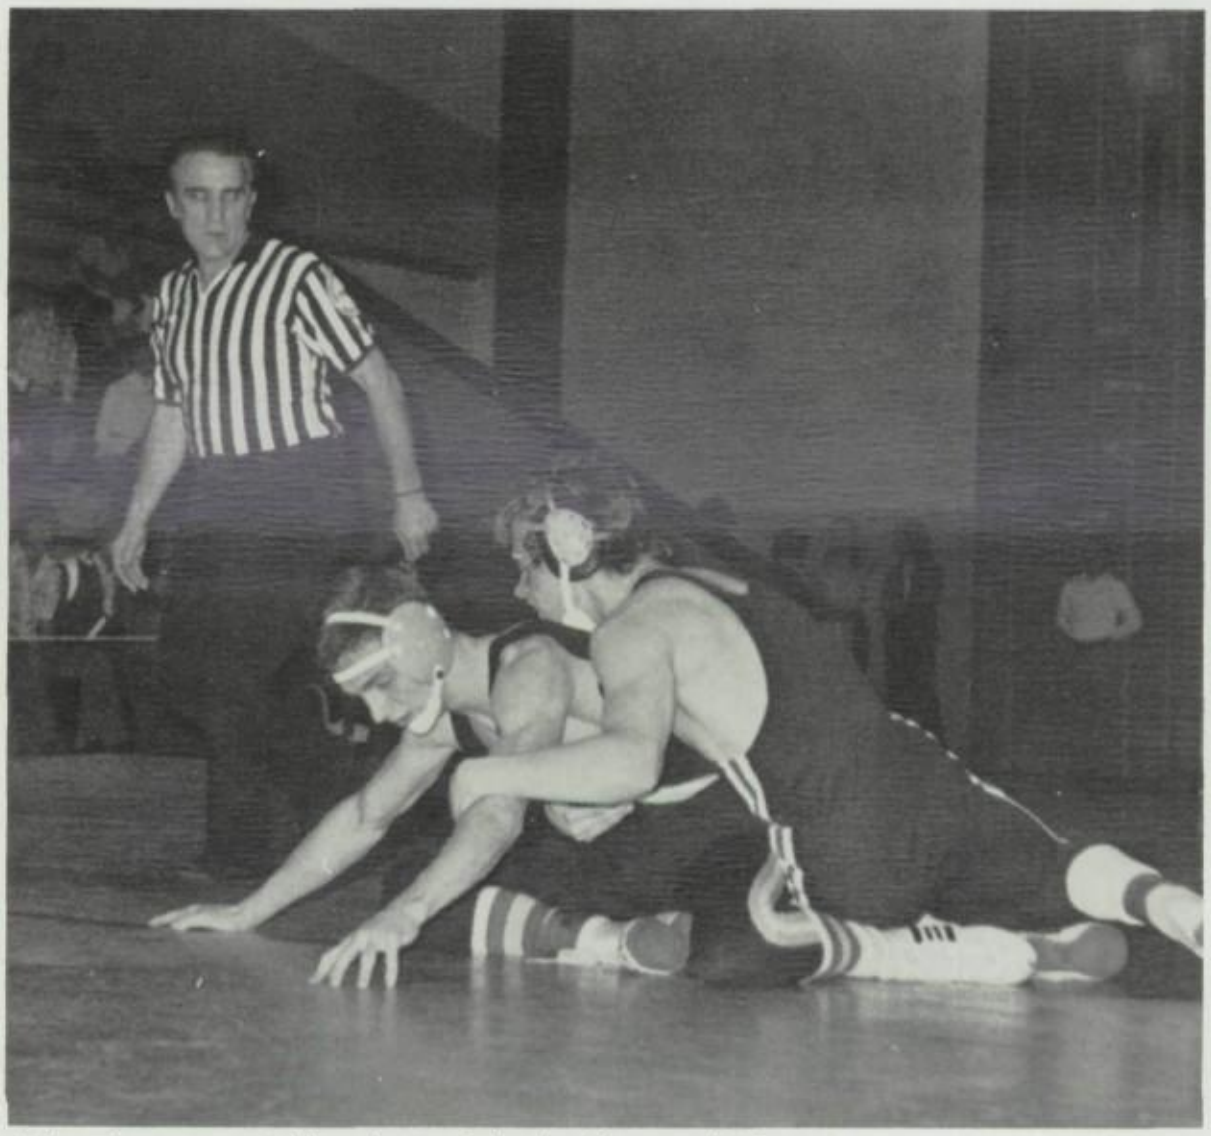
Tom, are you sure this is the way to win friends?



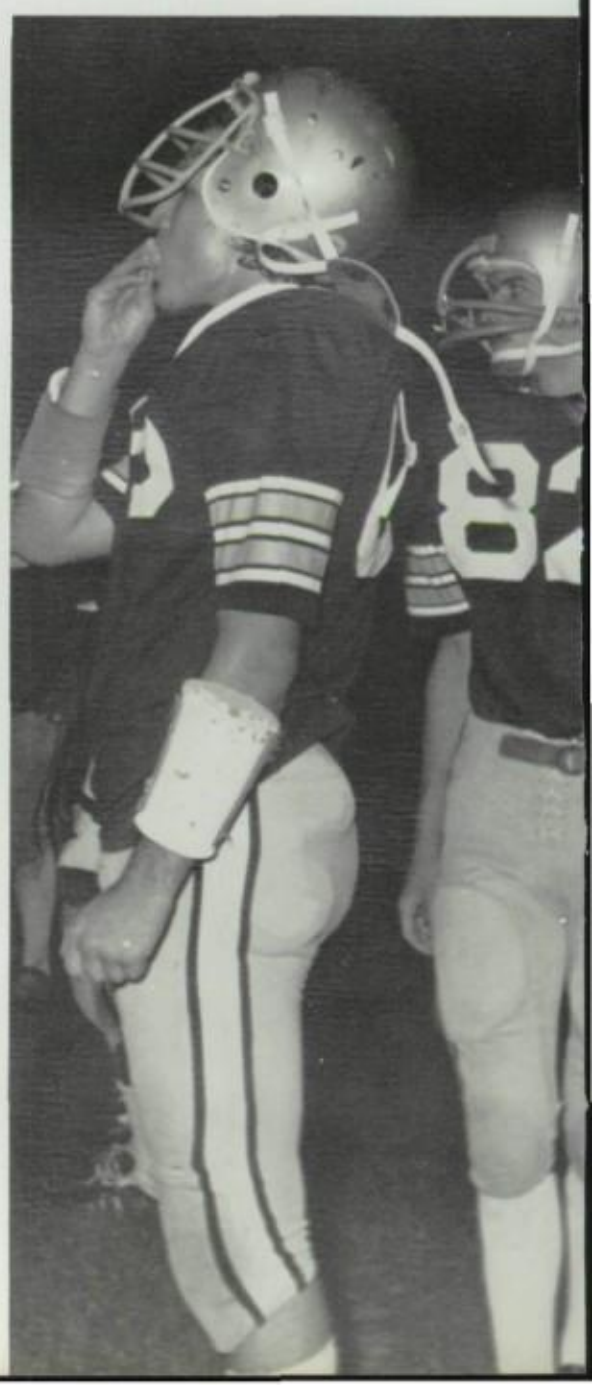
How's your love life?



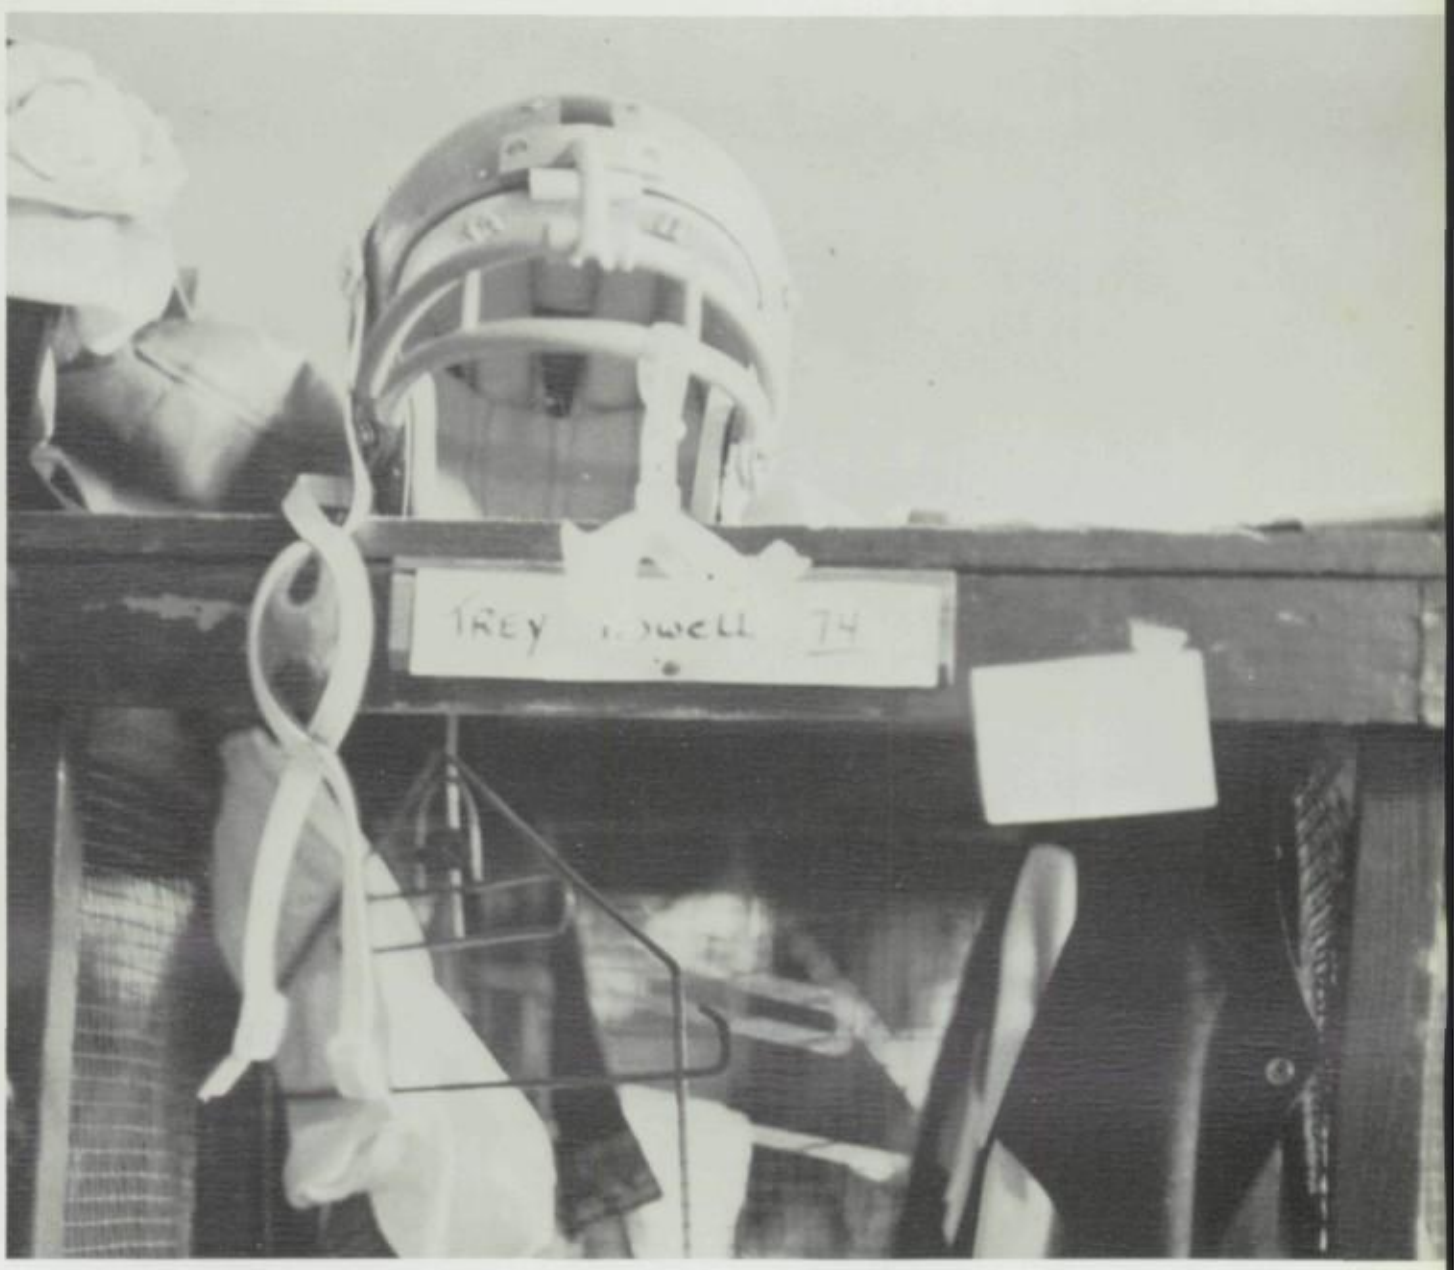
Frances, nobody told you to stand up and holler.



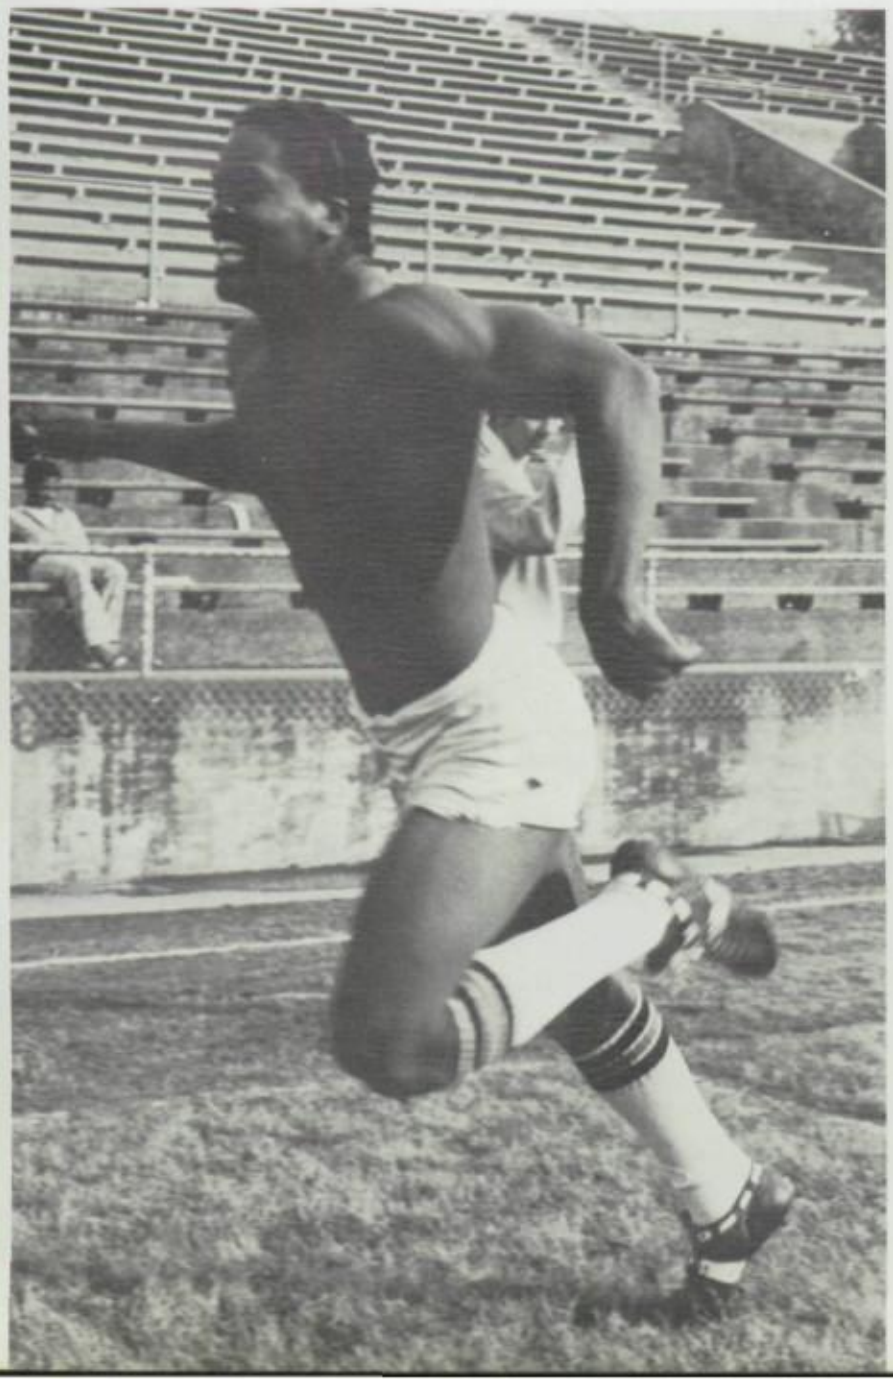
Mike, why are you tickling that guy's back with your chin?

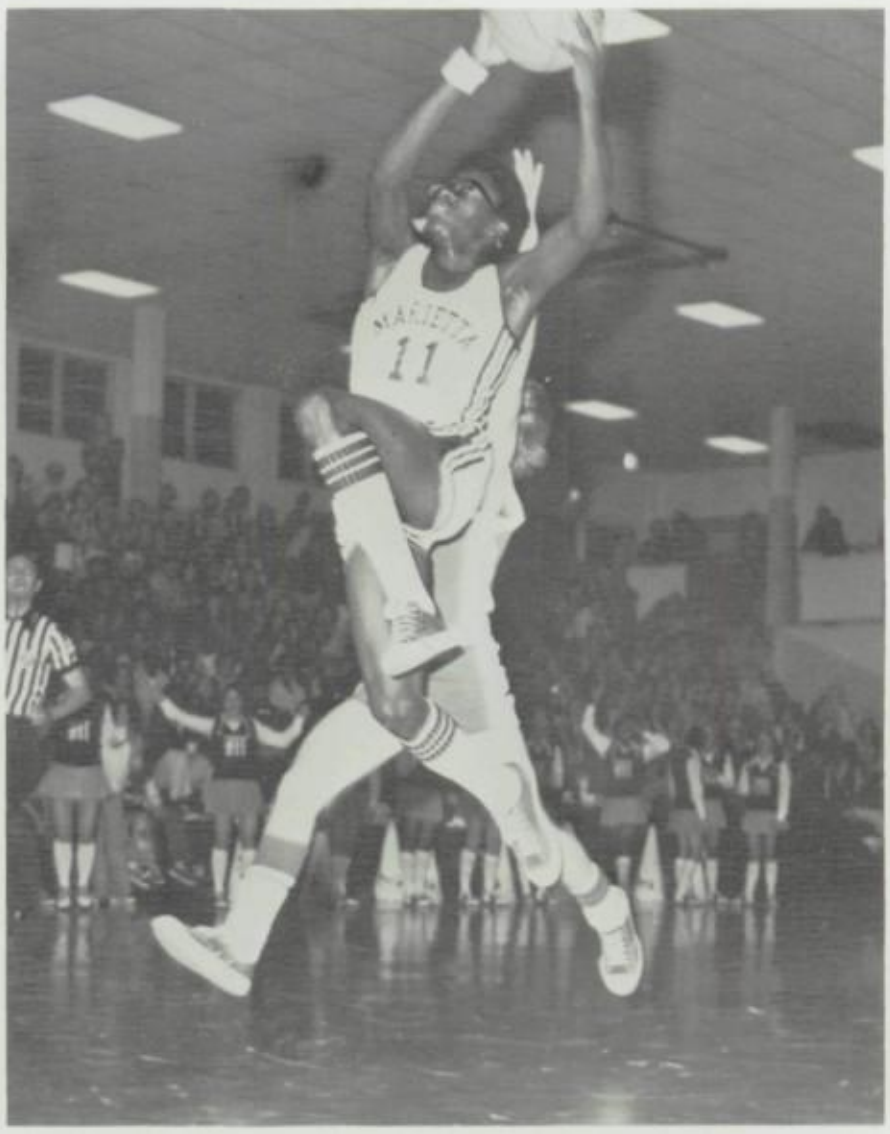


Hugh stops for a bit of refreshment during the big game.



This is the last time Trey will have his name above the locker.





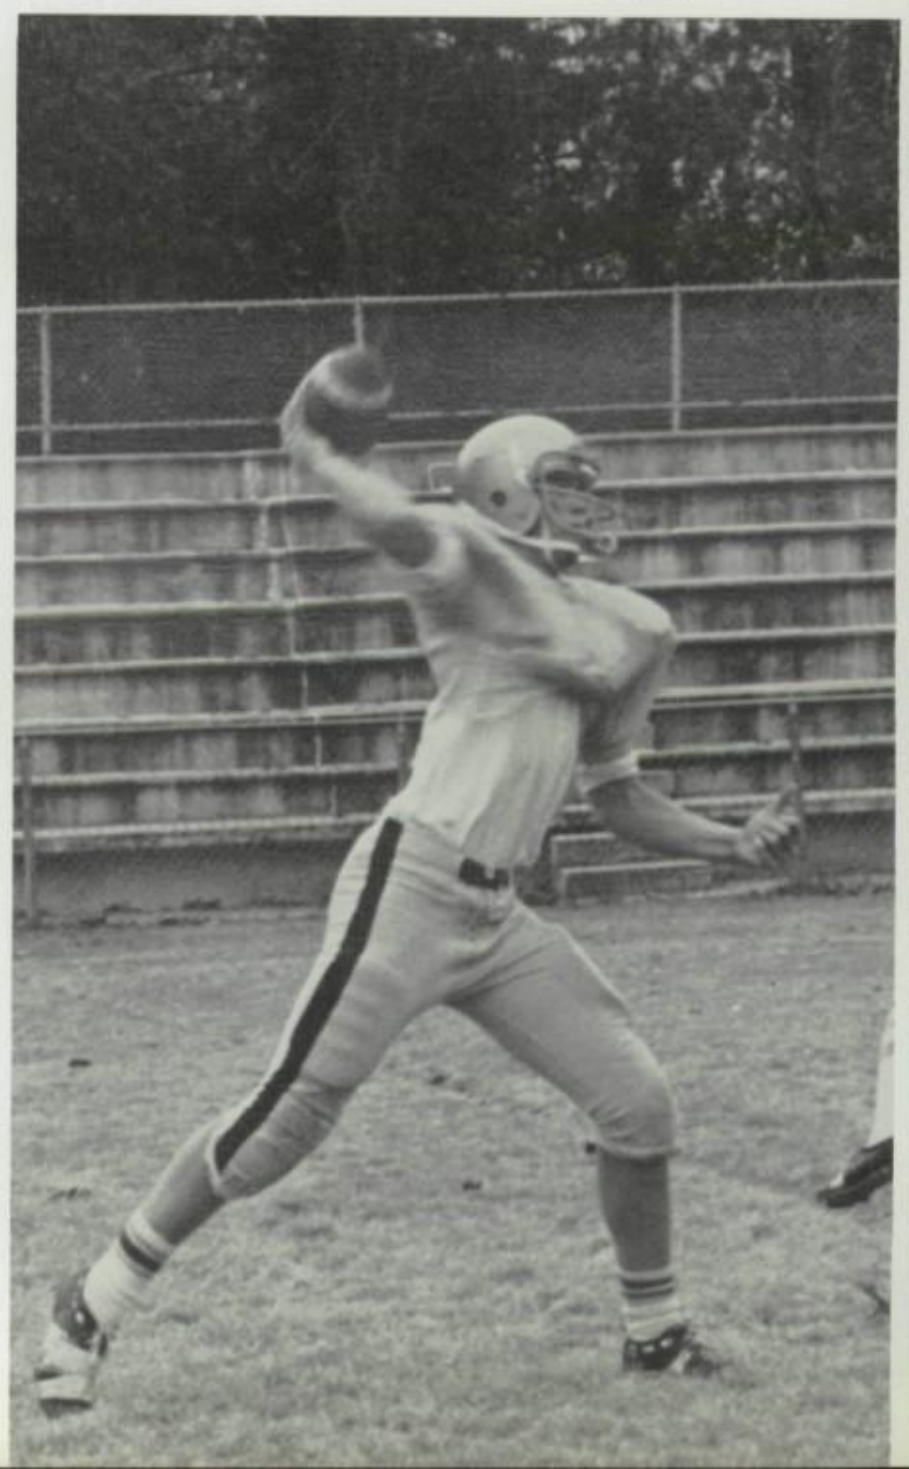
Ronnie leaps high into the air to score 2 more points for the Devils.

Cookie Man races to the finish line as thousands of spectators watch on in earnest.

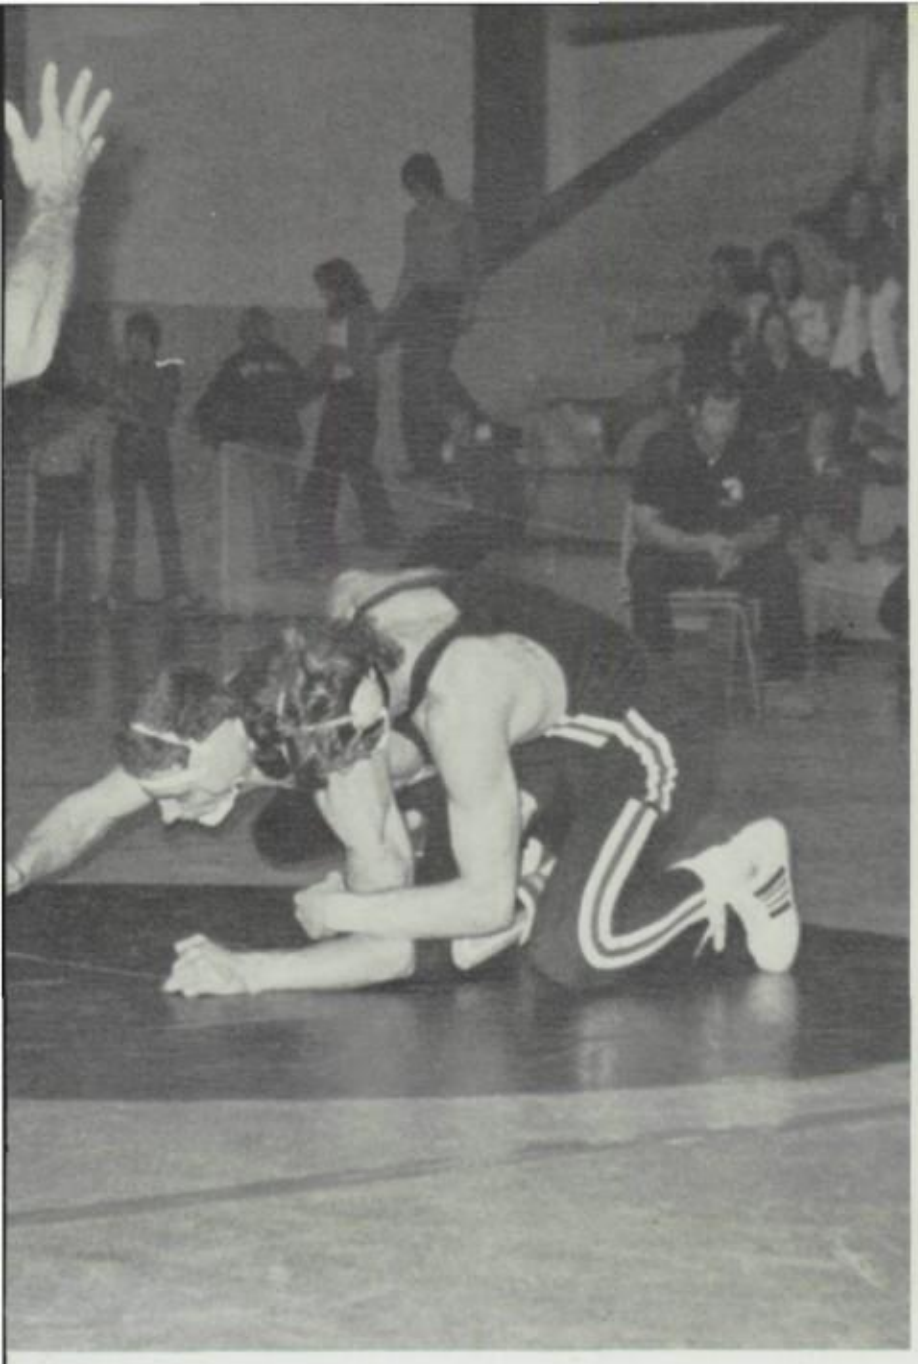
Aren't you glad all their mothers use Tide?

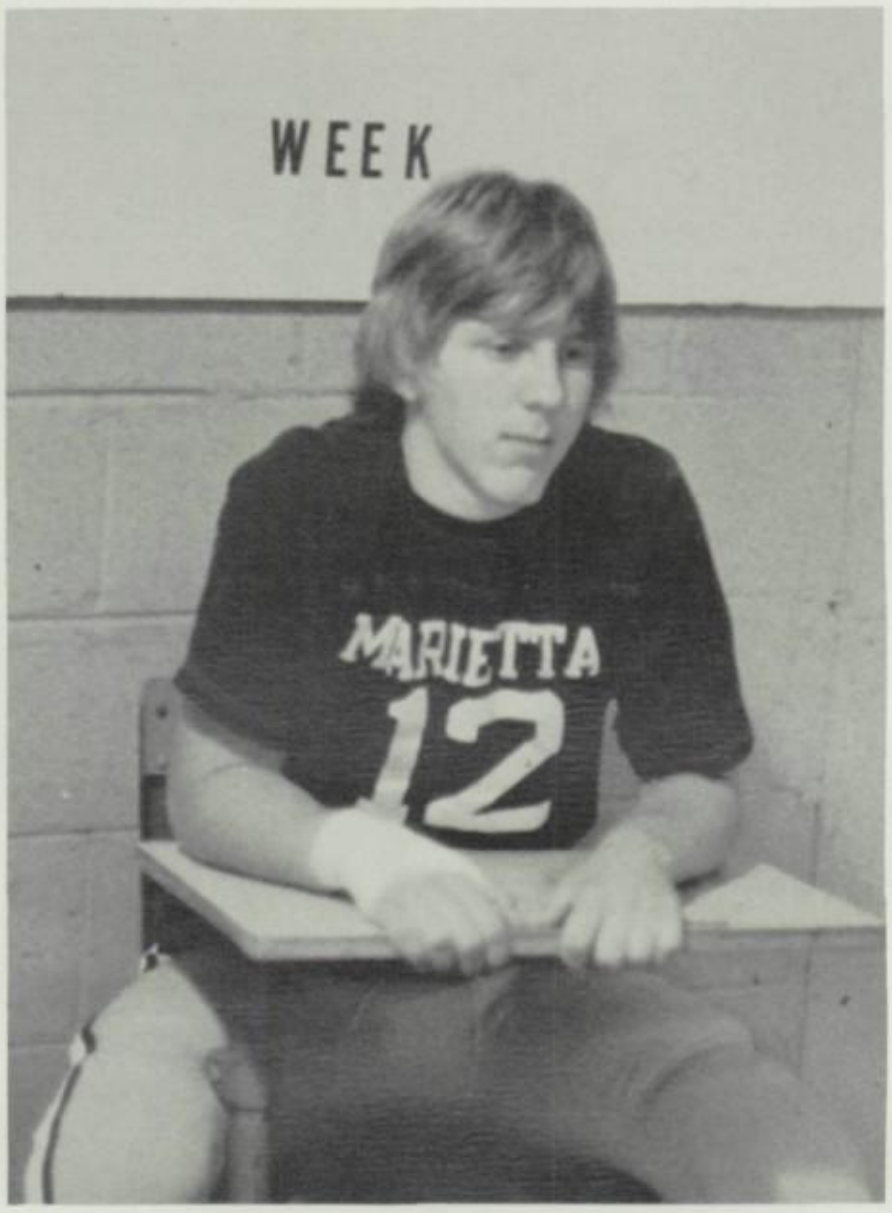
Take five, boys.

You've got Leggs



What style! What grace! What form!

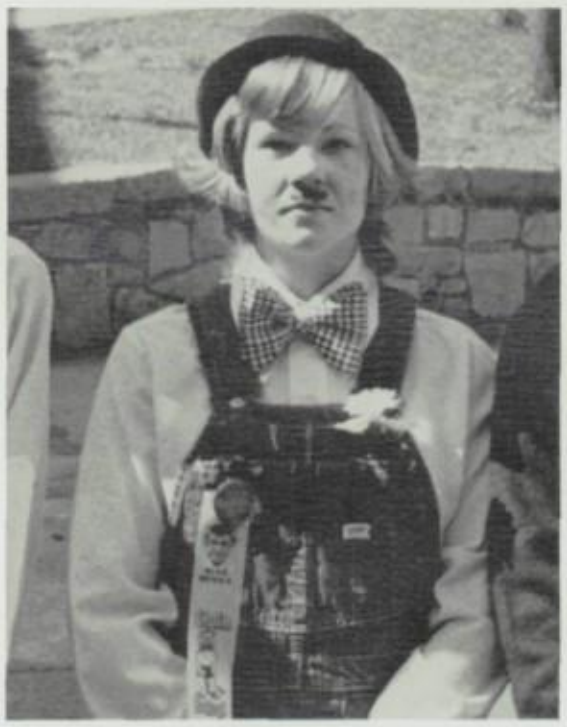




"A penny for your thoughts." Or, perhaps, due to inflation, "a nickle for your thoughts."

No. 32, who does your hair?

WHOOSH!!!



As the sun rises, we find the Interact Club having an early morning coke and doughnut meeting, and as the sun sets, the French club is on its way to a French restaurant for supper.

Associations

This year the clubs got off to a slow start. But at last in November they got on their feet. They performed tasks such as working in concession stands, making music for pep rallies, assemblies and decorating the halls to stimulate the student spirit.

This year some clubs such as the Science Club weren't formed because of lack of interest, but also this year we have several new clubs — Environmental, Underground, and religious organizations.

The associations in this section are indeed a worthwhile part of student life by helping the student participate to become an individual more aware of becoming involved.

The OLYMPIAN, the official yearbook publication of Marietta High School since 1917, has an average circulation of one thousand yearbooks. Continuing to be the most anticipated arrival of the year, few students realize the hard work and dedication that goes into the making of a good yearbook. A cover is designed, ads are sold, layouts are drawn, the first deadline is met and the yearbook is now officially underway.

No matter how well planned, the yearbook couldn't exist without student support. Every year the OLYMPIAN staff puts on a skit for the student body to kick off yearbook sales. Other than the skit the staff is responsible for four more assemblies: The Superlative Assembly, the Homecoming Assembly, the Who's Who Assembly and the OLYMPIAN Dedication Assembly.

Not only do these pages reflect the highlights of the year, but also the co-operation, organization and originality on the part of the staff.

Pitchfork

The 1974-1975 PITCHFORK staff, one of the largest ever, was the right combination of people to publish a paper with a new look and appeal for MHS students. Starting the year off with The PITCHFORK skit, the staff members worked to put out a paper with articles of interest, to involve all MHS students in their newspaper. The work was rewarding and served not only to train students in journalism but also in comunication and co-operation with others.

"Presenting the Marietta High School Marching Band, under the field direction of drum major Alan Ball, and assistant field director, Karen White, the band steps off to . . ." This introduction prefaced the ten entertaining half-time shows written and created by students on the show staff.

The band's feelings of unity, friendship, strict discipline and pride began at Band Camp in late summer. Each band member practiced his ability to march under the supervision of the squad leaders and leaderettes. In addition to this each person was required to qualify for the two drum majors.

Each year in late February the band performs in the state festival receiving ratings from a panel of three judges. The Marietta High School Band has received seventeen consecutive superior ratings.

The band presents two concerts at Marietta High School during the year, a winter and spring concert. The programs consist of highly respected classical and contemporary compositions.

In addition to these performances, the band has been invited to perform at the Southwestern Band Directors Convention at Troy State University in Alabama. The band was chosen also to be the clinic band for Dr. William Rovelli, a foremost conductor in the United States. This invitation will bring national recognition to the band and school.

Marietta High School Band

Dedication and perseverance are the key to the excellence of the MHS band. Morning rehearsals, afternoon rehearsals, evening rehearsals, rehearsals during third period and homeroom; nothing can be achieved without the many long, hard hours of practice.

Along with these activities they put on a musical every year. This is a major production which requires an enormous amount of dedication. The combined choirs, in order to raise money for this year's musical, "The Fiddler on the Roof," made and sold a record.

This year the Concert Choir has added another honor to the many it already has. They auditioned and were chosen to become the Stay and See Georgia Bi-Centennial group. They will tour Georgia giving concerts from January until December of 1975.

One of the major projects of J.I.A. is reaching out to "shut-ins" at the Dorsey Manor Apartments for the elderly. In the few short years of J.I.A. existence at MHS, it has become one of our school's outstanding community-service organizations.

The Truckin' 13 began their illustrious career in 1972 when Kenneth Harvey Farrar Jr; renowned Sports editor of the OLYMPIAN designed plans to have a half-time show at soccer games. Therefore, Harvey Farrar's Terrific All-American Truckin' 13 Half-Time Marching troubadors, commonly known as Truckin' 13. At one pep rally this fantastic conglomeration of people raised the dead spirit of the school with their spirit and kazoos. They participated in the homecoming parade this year in a life-size kazoo. Much more talent may also be observed at the basketball games, and, of course, at soccer games. On the day of each game, they dress up in their traditional attire: overalls, white shirt, white socks, tennis shoes, and, of course, bow ties. Often, through the halls of Marietta High, you will hear in the distance the Truckin' 13 Fight Song.

Black History Week

The Morehouse College Glee Club

The 1975 Black History Week celebration at Marietta High School offered a multispectrum of the black experience. Activities started Sunday, February 9, with the Future Leaders of America worshipping at the Zion Baptist Church with the Rev. R. L. Johnson.

The theme for the week's celebration was Fulfilling America's Promise.

This year we were very fortunate to have two outstanding musical programs. On Tuesday, the Morehouse College Glee Club gave a program of Negro music, and on Friday the Marietta High School Concert Band presented THEY WALKED IN DARKNESS with Dr. Vernon Stone, Instructor and Professor at Georgia State University, as our guest narrator.

International Students

The halls of Marietta High have echoed with the sounds of French, Spanish, Portuguese and Chinese this year as we "went international" with a grand total of eight . . . count em . . . eight . . . students from Europe, Latin America and Asia. Offering their own unique touches to every class and activity they have enriched our lives in many ways.

To spend the entire year in Marietta come Tomas Gentil of Paris, France, and David Aguirre, of Acapulco, Mexico.

From South America have come three students who arrived in January to spend six months with their host families: Paricia Nicholls of Bógota, Colombia, Jorge Castro of Cali, Colombia, and Cynthia Majawski of Cruz Alta, Brazil.

Marietta has drawn international families into the community, also, and from their rank come Charles Lui of Taiwan, and Virginia and Ranaldo Compos of Rio de Janeiro, Brazil.

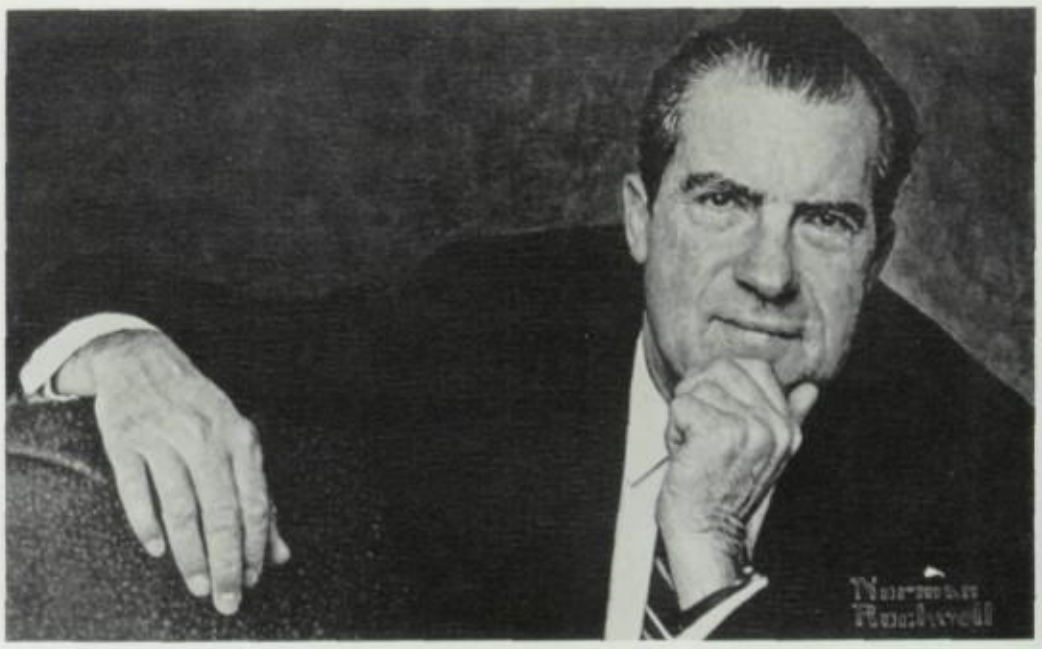
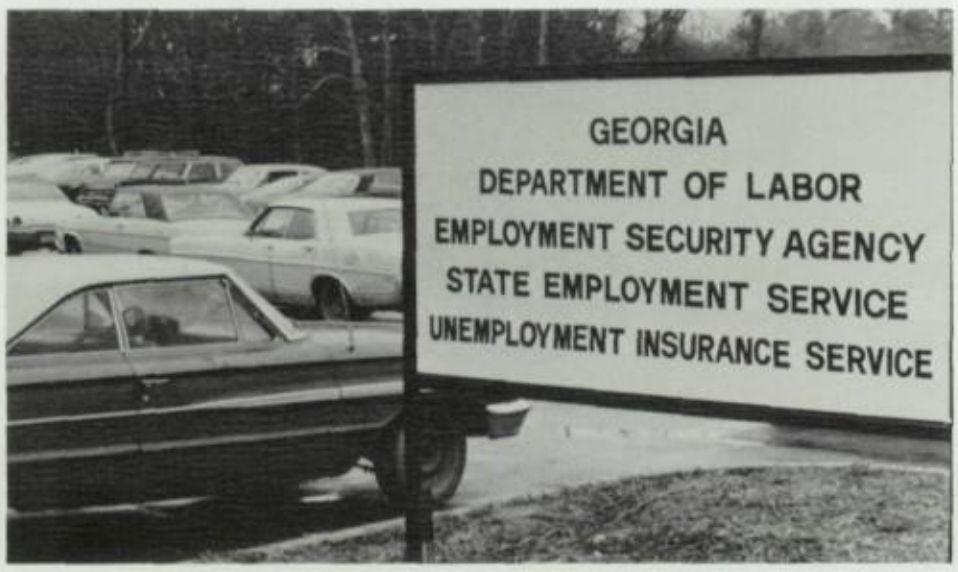
In appreciation of the fine efforts of our photographers, the big O staff dedicates this page to David Parks and Bob Sudderth.

The past year has been eventful in several areas. Richard Nixon, our 37th President, and his Vice-President, Spiro Agnew, resigned from office. A combined inflation and recession hit our country for the first time in our lifetime, and polluted water and oil embargos made the headlines.

In addition, Marietta has had trouble of its own. Traffic jams on Powder Springs around the unemployment office and the big question, "How long will there be a Lockheed?"



Those were the days.



Unemployed? Join the crowd.

Lockheed, Georgia — hangin' in there.

Scenic Chattahoochee.

A rare species.

With all the changes on the National and International scene, it is reassuring to see some things, or rather people, that never change. The traffic policemen on their corners, the firemen watching P.E. students change class . . . and Rupert Raines.

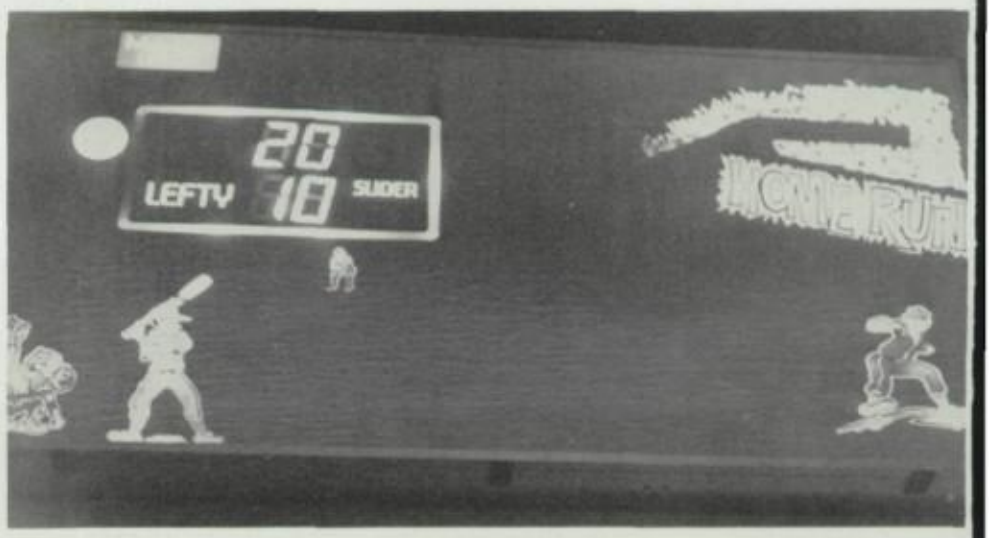
Summer is fun, and on the Chattahoochee, rafting is King; but what is there to do when school starts? There's always football games, and later comes basketball.

"Whata'ya doin' after the game?"

Chattahoochee River Rafters —

Farrells?



Straw Hat?

Rolling?

Marietta Train Depot. Constructed 1871 — Destructed 1974.

Did you know:

That the train station was built 104 years ago and was the start of the Great Locomotive Chase? The northern raiders boarded in Marietta, waited till everyone had gone for breakfast in Big Shanty (Kennesaw) and took off with the engine.

That the mountain was shown off to President Cleveland? Hundreds of small watch fires were built all over Kennesaw so that when the President arrived for a stop in Elizabeth, the mountain was illuminated against the evening sky.

That the public library used to be the post office? In those days, an out-of-town letter cost 2¢ to mail, and a local delivery letter cost 1¢.

That the bandstand in the park is an exact replica of the old one? On summer evenings, the whole town would gather to hear the "Marietta Silver Cornet Band."

That The Bookstore used to be Mr. Mosher's Candy Store? The grade school crowd would gather to stare at all the licorice and, occasionally, to taste some of the first ice cream made and served in Marietta.

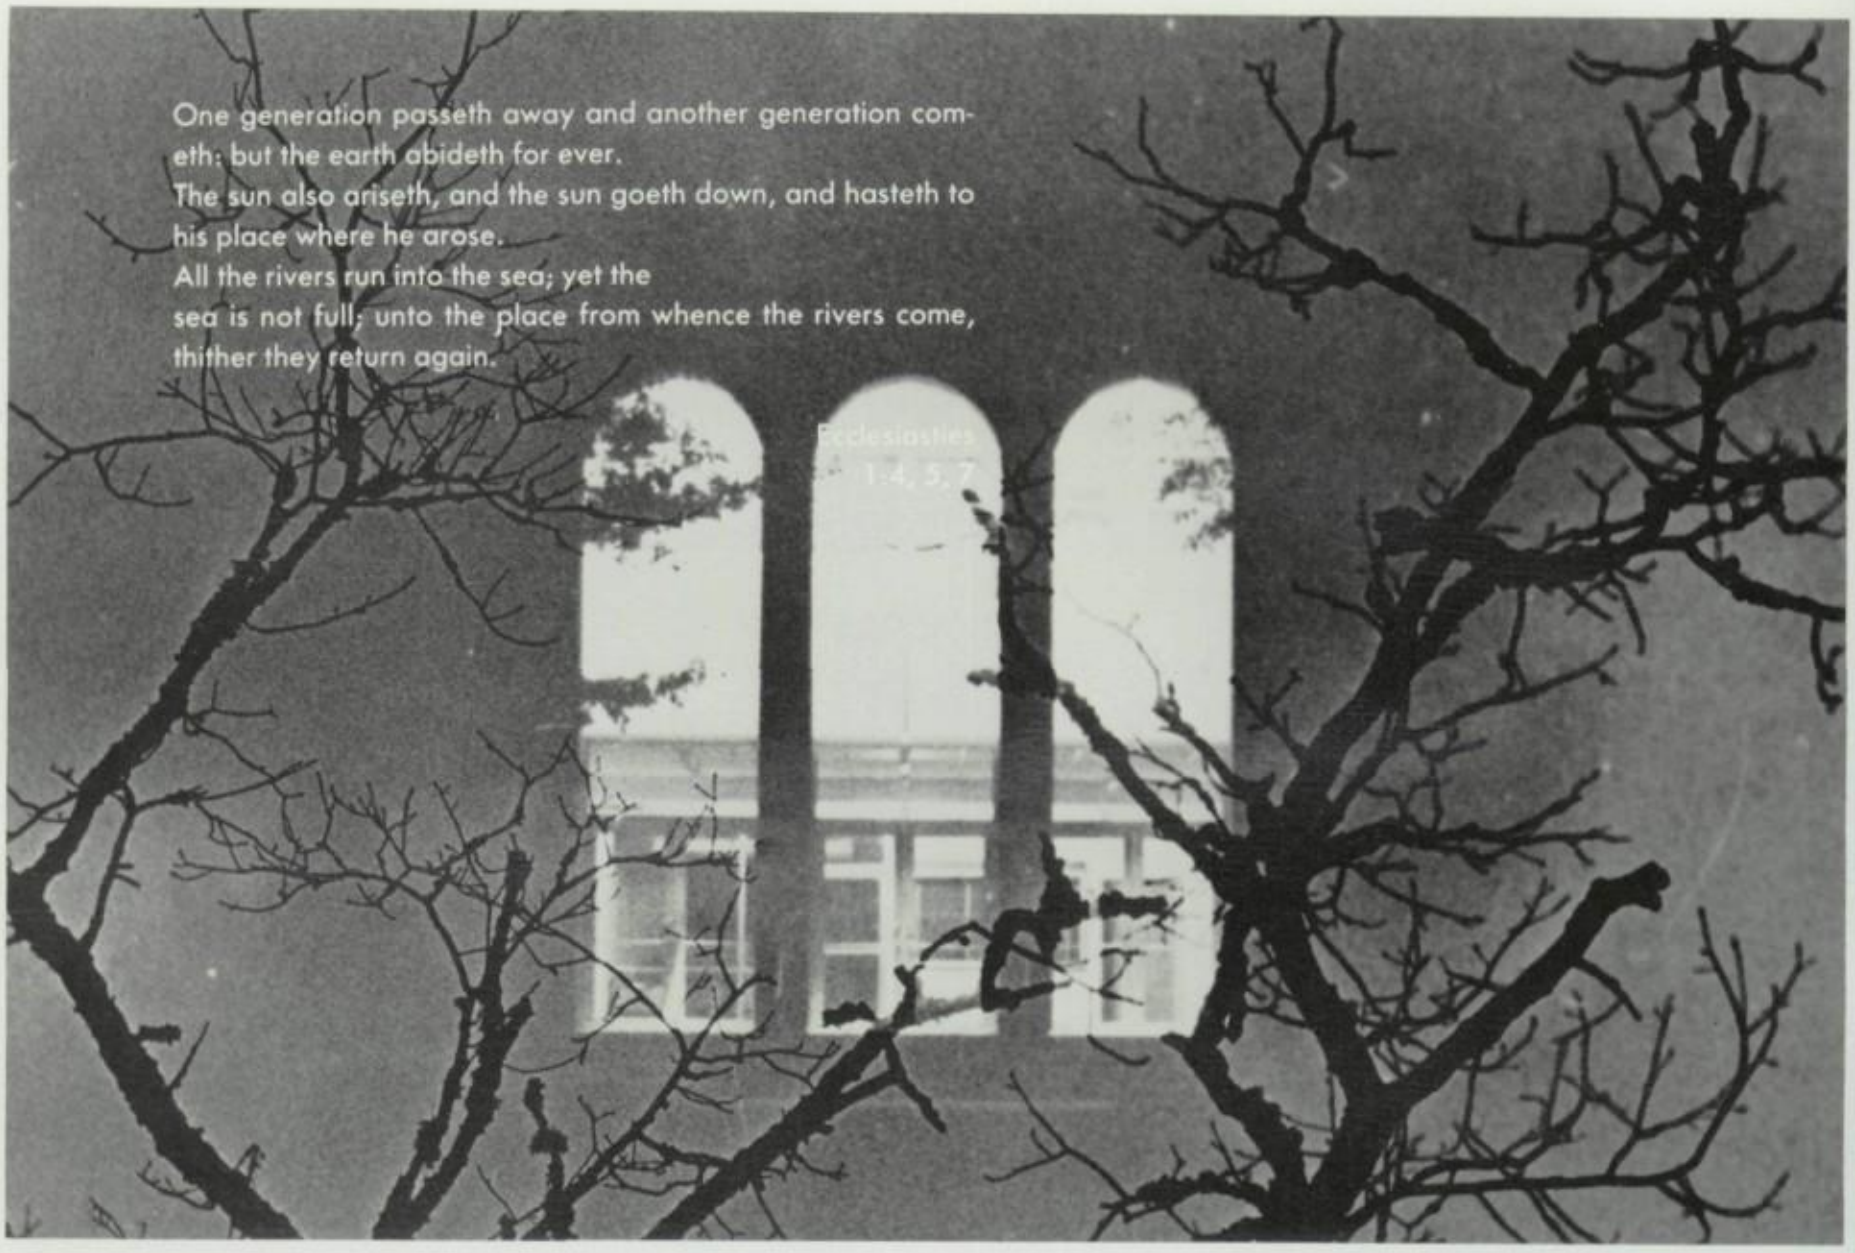
Class Of '75

The class of 75 is made up of many interesting and truly individual seniors. Throughout the school year, these seniors have become involved in many activities which will make 1974-75 the most memorable school year for them all.

In the fall, the seniors began everything by showing boundless enthusiasm at pep rallies and football games. The Homecoming Assembly, then the game and dance, were all a part of a great week of involvement for the seniors.

The following weeks were filled with voting, and, finally, choosing the most honored seniors of all — the superlatives. A Superlative Assembly, held before Christmas, was an important event at which these people were recognized for their achievements.

The theme of this year's Junior-Senior Prom, at which the juniors honored the seniors was "The City of New Orleans." This is the most memorable event of the seniors' year. Then comes graduation, which means the end of their last, and probably best year at Marietta.



One generation passeth away and another generation cometh: but the earth abideth for ever.
The sun also ariseth, and the sun goeth down, and hasteth to his place where he arose.
All the rivers run into the sea; yet the sea is not full; unto the place from whence the rivers come, thither they return again.
Ecclesiastes 1:4, 5, 7

Junior Class

All year the class of '76 has made us aware of the pride that they have in our school whether supporting the school's teams at the pep rallies, or helping with homecoming, they were always there with unlimited support. Showing a willingness to work together, the Junior Class is undertaking the major event of the year, the Junior-Senior Prom. The Junior Class, along with their advisors Miss McCaghren, Mr. Etter, Mrs. Williams, Mr. Oliver, and Mr. Walker, have planned many projects, and as a result, have had a very productive year.

Viva the spirit of '76!

Sophomore Class

The Sophomore Class is one of the most spirited group of students M.H.S. has had in many years. The combined voices of the class of '77 roared during the pep rallies urging their team to win. The Sophomores, with their competitive spirit, have brought old-fashioned rivalry back to M.H.S.

The Sophomores have acquired a notable reputation for themselves. They are known for their willingness to work together as well as for their co-operativeness in any venture that the class undertakes. The rest of the student body has come to depend on the participation that the Sophomore class has always exhibited.

The class of '77 has worked together with their advisor, Mrs. Austin, for a very full and satisfying year.

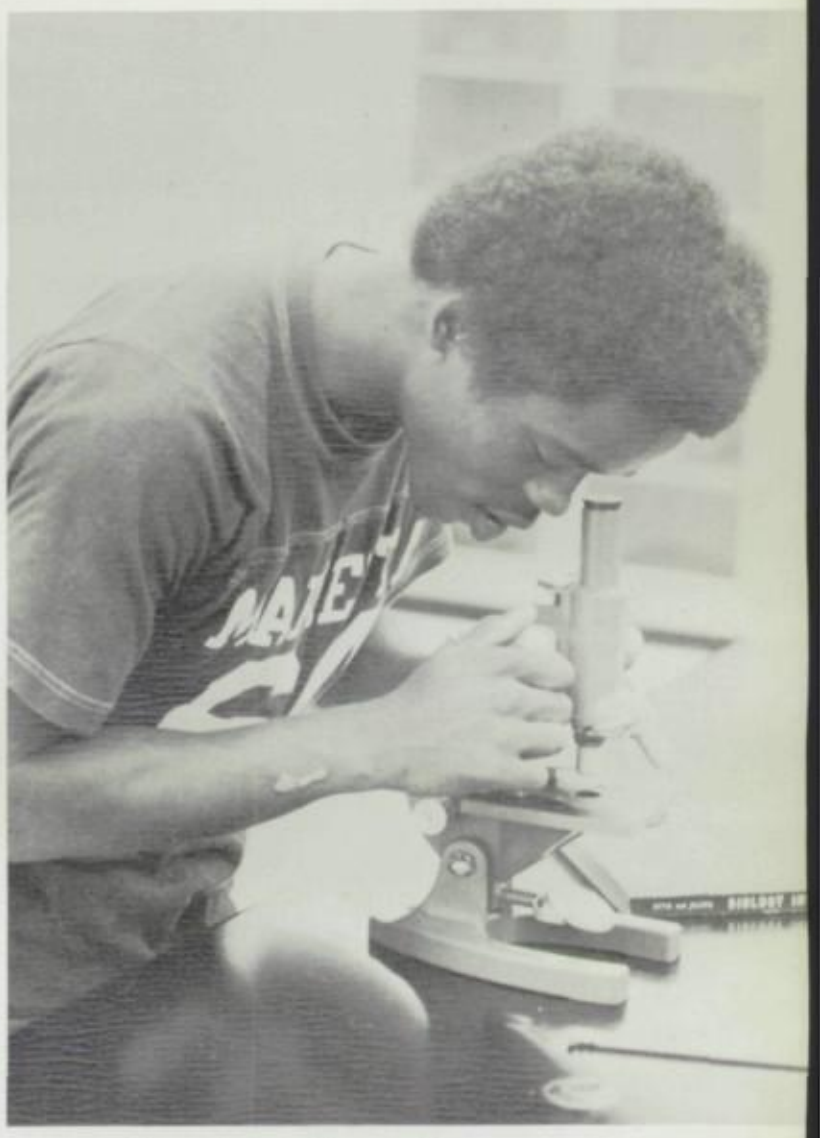
Smile, you're on Candid Camera.



I wonder what he sees?

Is she posing for a toothpaste commercial?

All I wanted for Xmas was a yellow submarine.

Come on down!

Golly bum!

Class of '77

This is the mighty, mighty, class of seventy-
seven
Who strives to do their best, so they can surpass
the rest
And graduate.
Intelligence they do not lack,
Confidence is not an act,
Responsibility is never held back.
They hold the power within their hands,
They don't let it slide through their fingers as if
it were grains of sand.
Born leaders this class contains
We should be reading about them in history books
because of their fame.
When they are gone, they will live on forever,
For they are the mighty, mighty class
of SEVENTY-SEVEN!

Freshman Class

Everywhere you look you see a Freshman! That just goes to show you that the Class of '78 goes in for participation. Band, sports, clubs, pep rallies, no doubt about it, the Freshmen are there with plenty of enthusiasm. They came right in and got to work without wasting any time. The Freshmen soon became a critical part of M.H.S., contributing their support to all phases of campus life. They quickly earned the much-deserved respect that they demanded from the upperclassmen.

Special assemblies were held so that the Freshmen could learn the yells, and posters were in evidence at all pep rallies which reflected their desire to be remembered as one of the best Freshman classes ever.

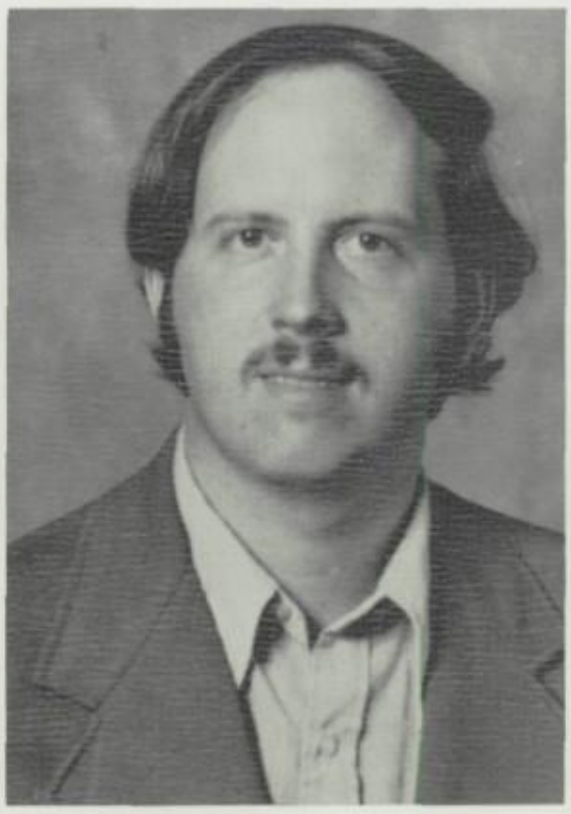
Mrs. Linda H. Roper attended the University of Georgia where she received her B.S. degree. She is constantly working on craft projects such as, redecorating at home, and sewing. She enjoys reading and gourmet cooking. She has held a variety of jobs such as modeling, cashier, dinner theater hostess, real estate secretary, jewelry store clerk, and a post office clerk.

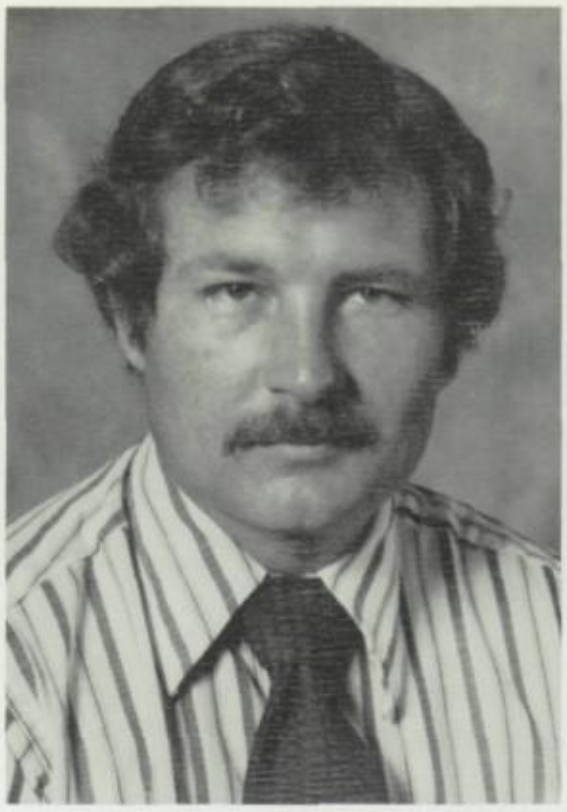
Mr. Sam Duke attended Livingston University, where he received his B.S. degree. He enjoys playing golf, and being with his family. He coaches the offensive line and the defensive ends on the varsity football team, and he also coaches Freshman basketball.

Mr. James Conrad Platt attended West Georgia College where he received his B.A. degree. His hobbies are reading, golf, and tennis. He has held many unusual jobs one of which was in his own television store.



Science Department

The Science Department has some fine additions this year. Along with returning teachers Mrs. Boardman, Mr. Little, Mr. Willis and Mrs. Dortch, and new teachers Mr. Waite, Mr. Miller and Coach Stanton. They have all made a contribution to our fine Science Department.

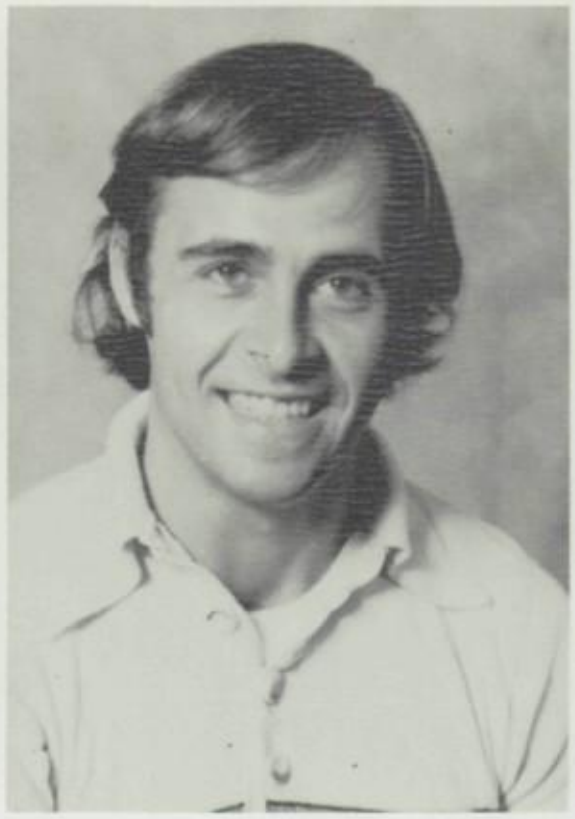


Mr. William C. Willis attended Georgia Southern College and the University of Wyoming. He has received his B.S. and M.S. degrees. One of Mr. Willis' major ambitions is to transmute base metals into gold. Needless to say, upon accomplishing this feat, Mr. Willis would be set up for life.

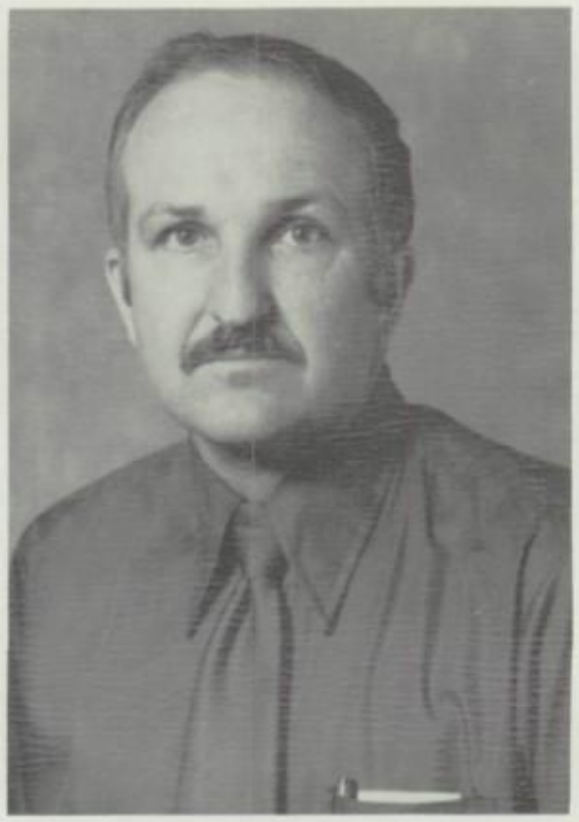
Mrs. Mary Renee Dortch has attended Arkansas State University, Southwest Missouri State and the University of North Carolina. She has received her B.S.E. and M.A.T. degrees. Mrs. Dortch has many interesting pursuits. She enjoys swimming, painting, decorating, science reading, UFO's, prehistory, water skiing, camping and sewing.

Mrs. Lois A. Boardman attended Michigan State University and the University of Michigan. She has received her B.S. and M.S. degrees. Mrs. Boardman enjoys tennis and she also enjoys traveling. She has been to Hawaii, Mexico and Europe.

Mr. Mike Stanton graduated from the University of Tennessee where he received his B.S. degree. Mr. Stanton spends much of his time coaching football. He is a coach of the MHS football team.

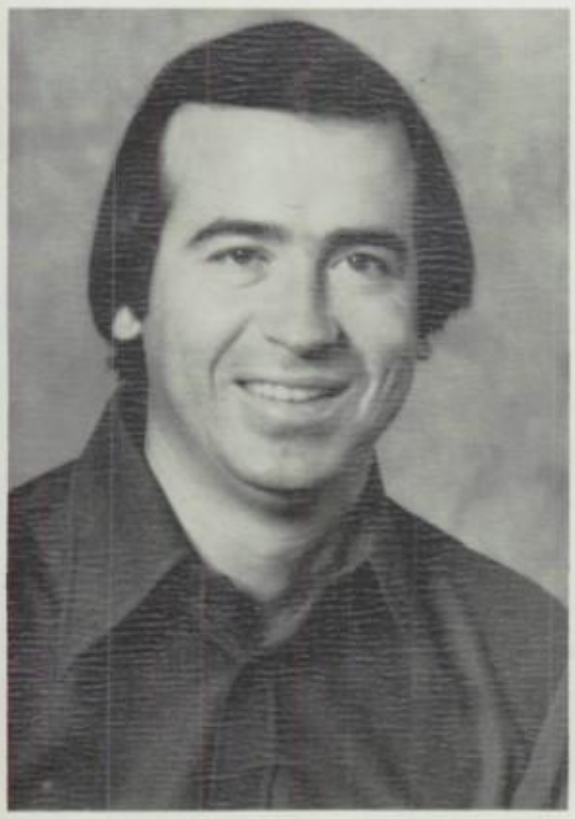


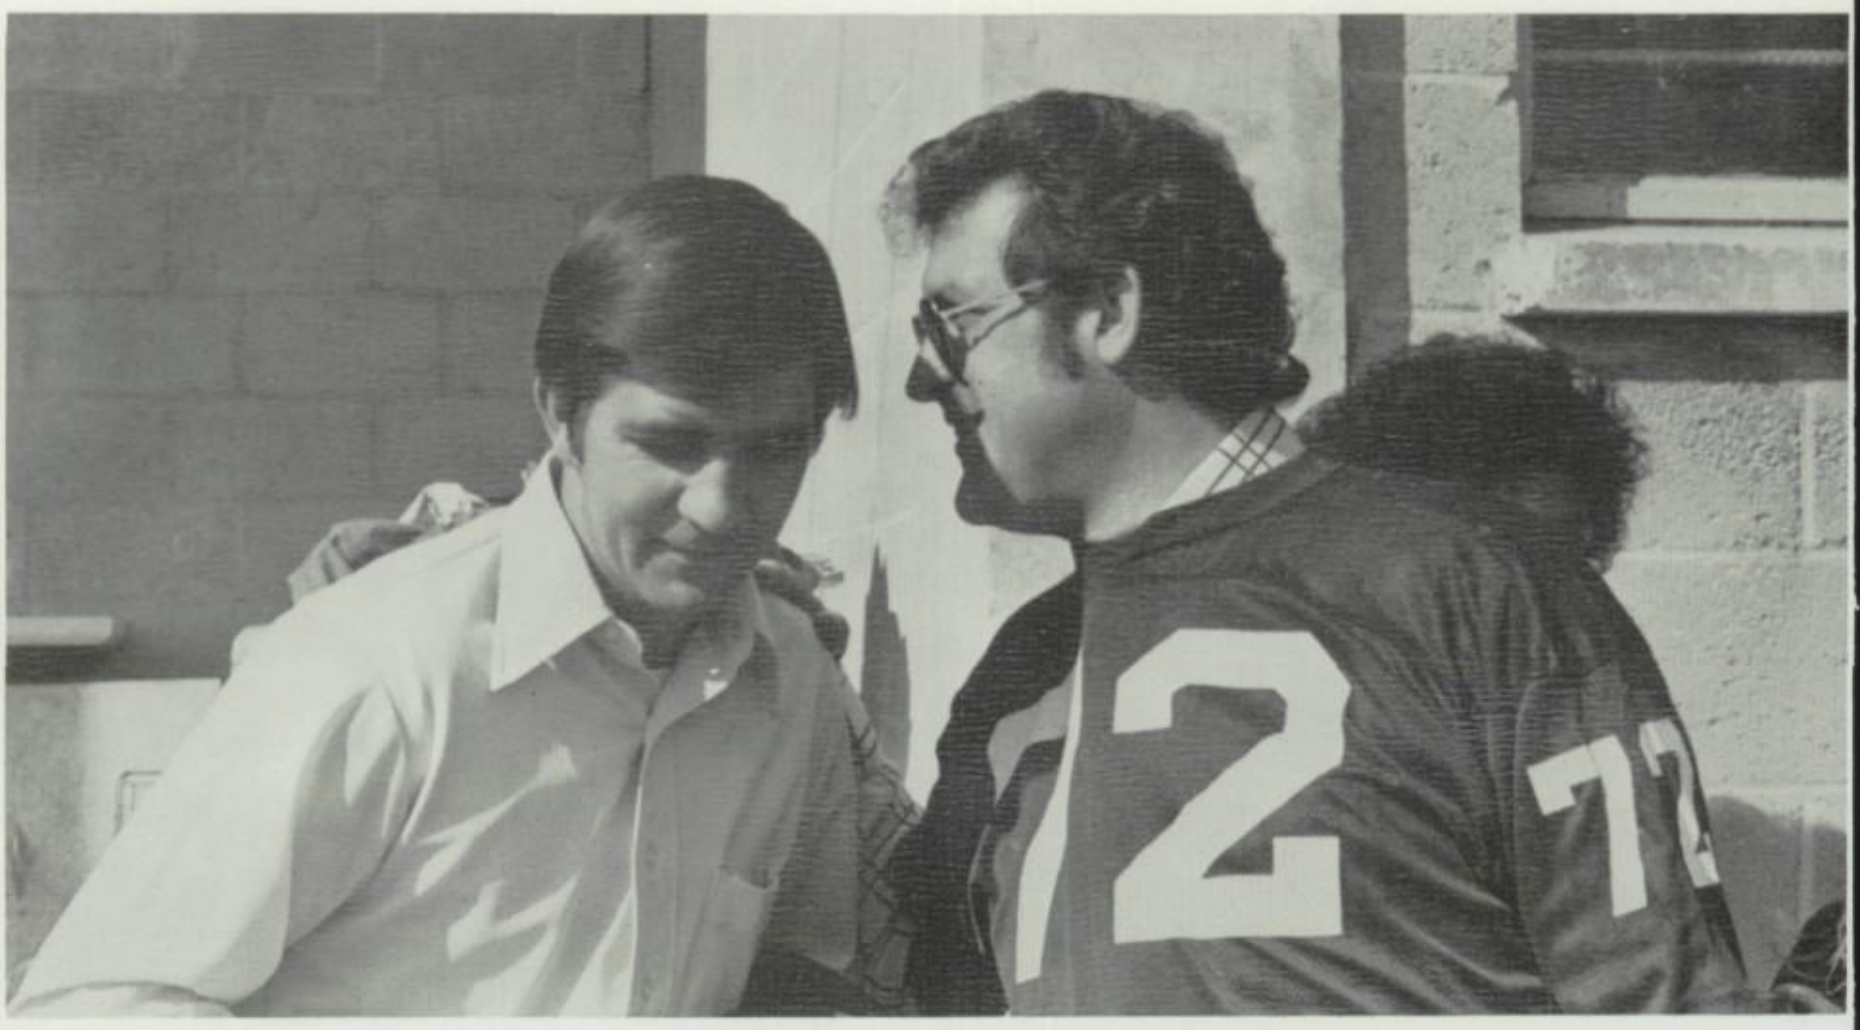
Mr. John Humphrey Miller attended Georgia Tech where he received his B.S. in Biology. He enjoys fishing and hunting. In his free time he enjoys music and riding bikes. There is one thing he hates and that is a set schedule.



Mr. Joseph G. Waite has attended the University of Tampa and Auburn. He has received his B.S. and M.S. degrees. He has been honored with a teaching fellowship. He enjoys music and light reading. He was also an amateur boxer.

Mr. Larry Little attended Troy State University, Georgia Tech and Auburn. He has received his B.S. and M.S. degrees. He is an accomplished musician and enjoys playing the piano.





I found out that their Head Coach is the Home Ec. teacher over there.

I dreamed I was in the middle of the Atlanta Stadium without my . . .

Best wishes in the coming yrs. at MHS.

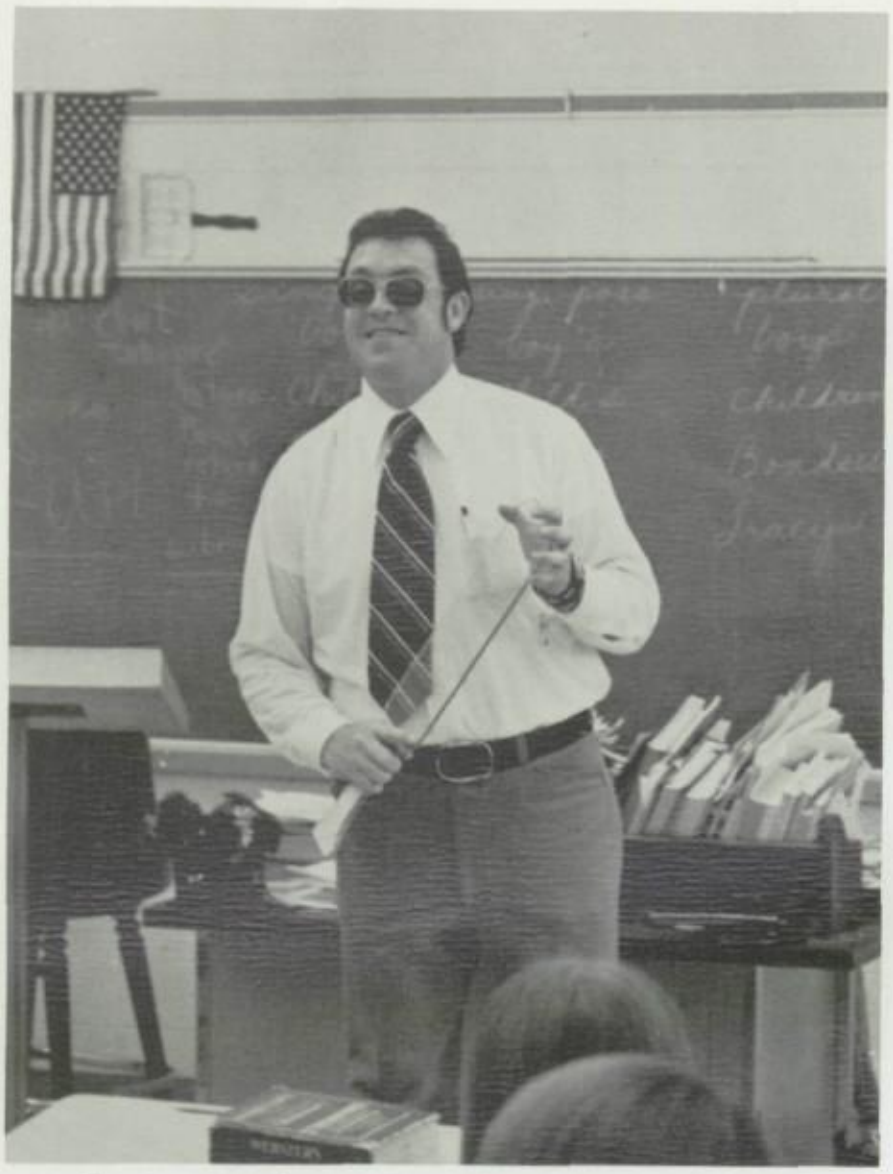
I'll put it away now, Mommy.

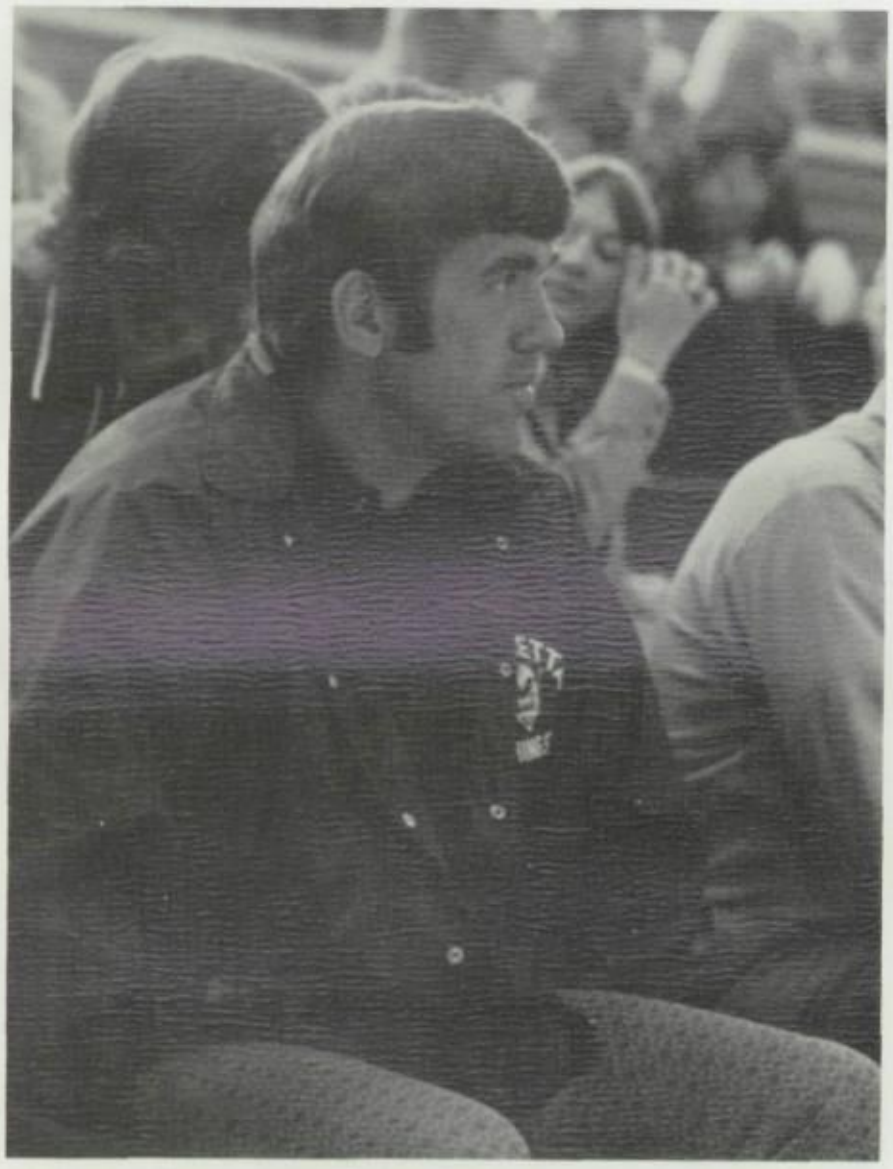
Mrs. Dortch cheers wildly at a pep rally.

Merrill loses the toothy grin contest.

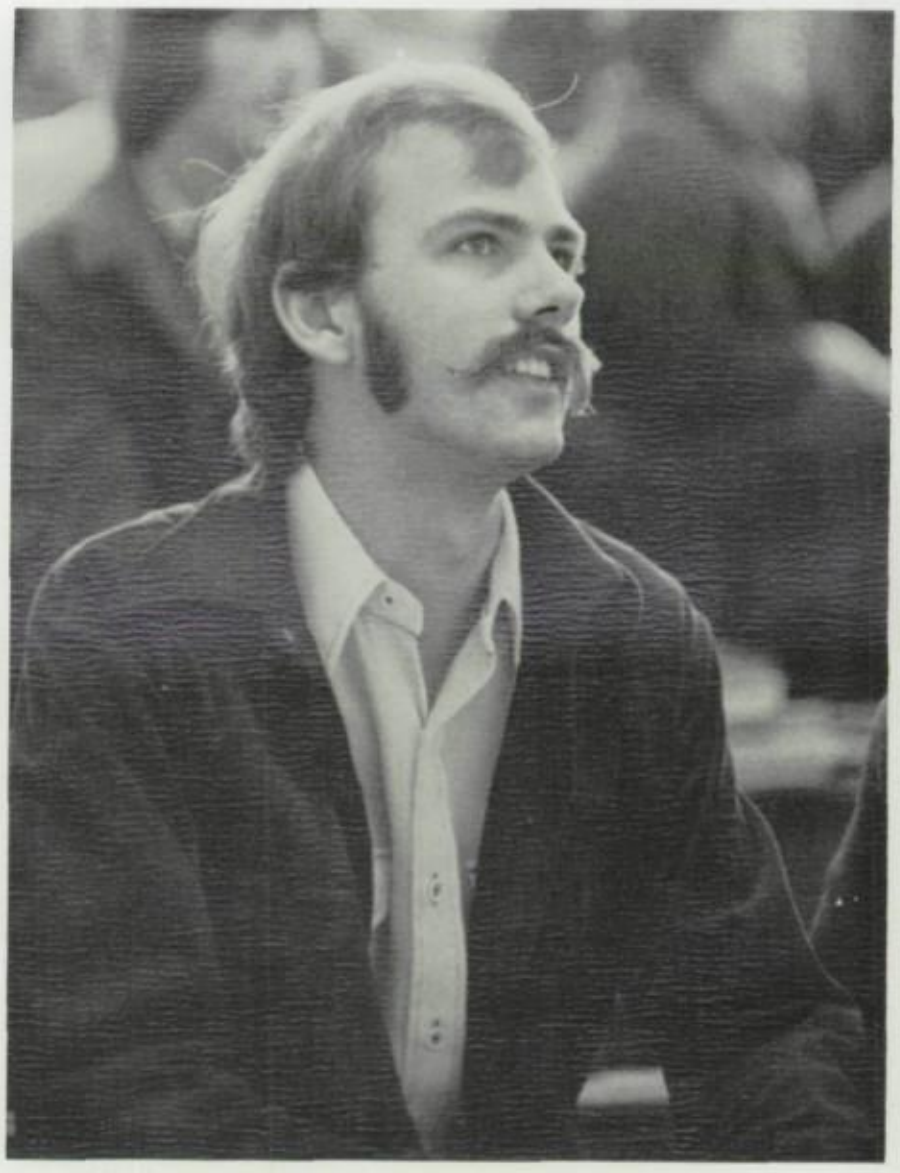


This is going to hurt you more than it's going to hurt me.

Do the Peppermint twist.

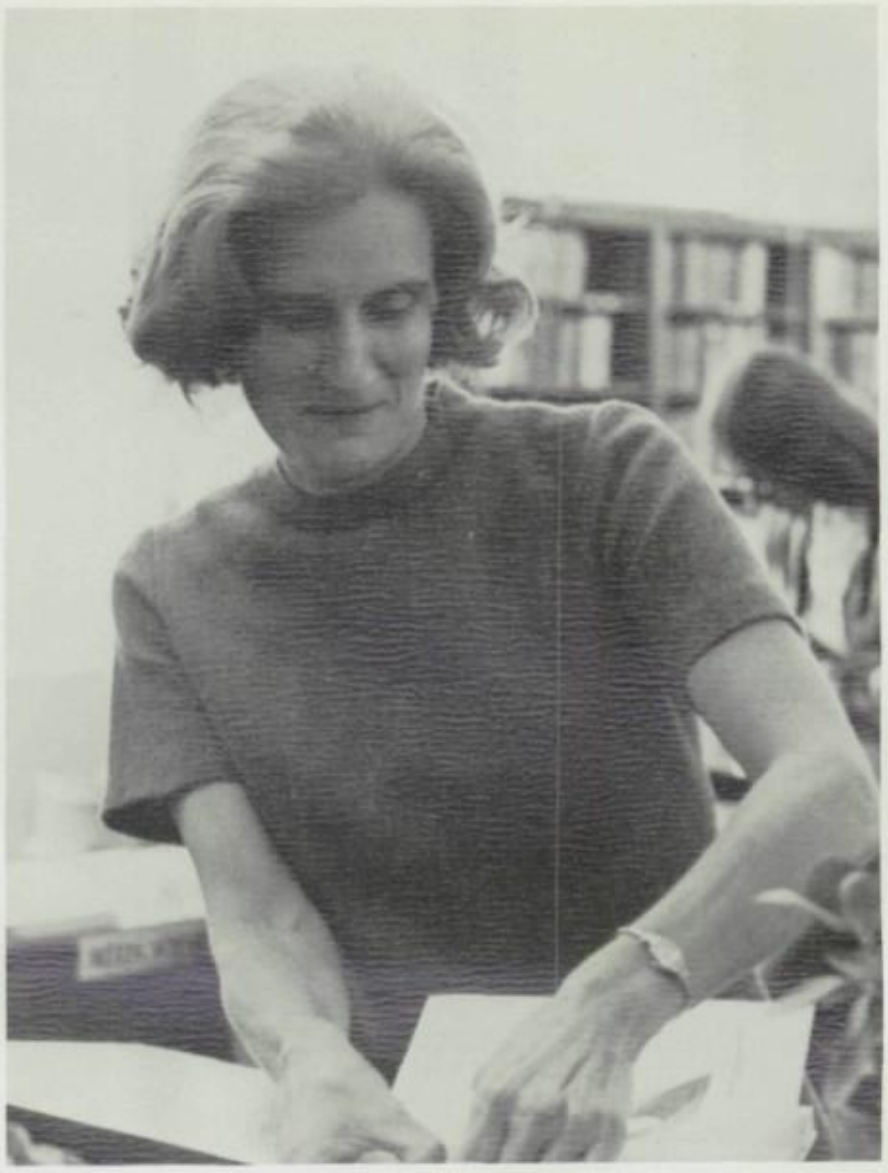


These things go on forever.

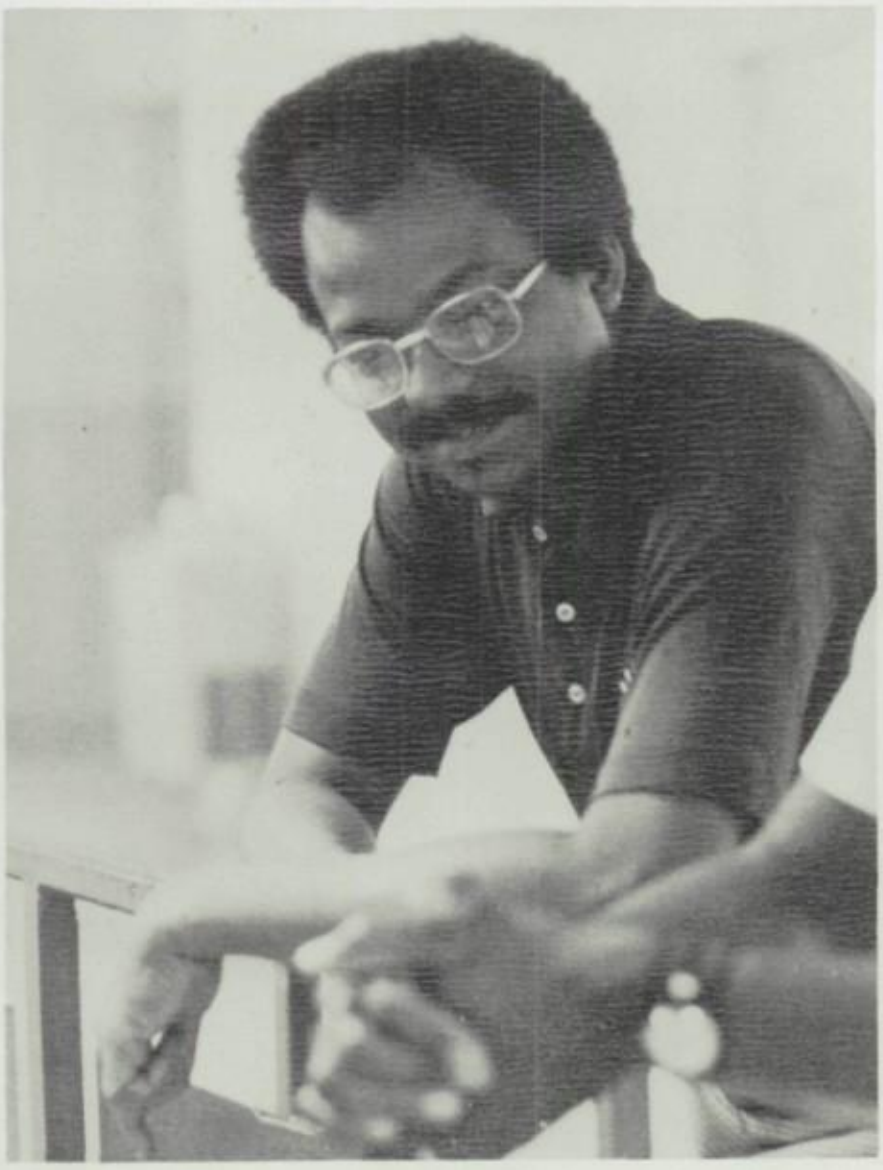


Hey, there, you with the stars in your eyes.

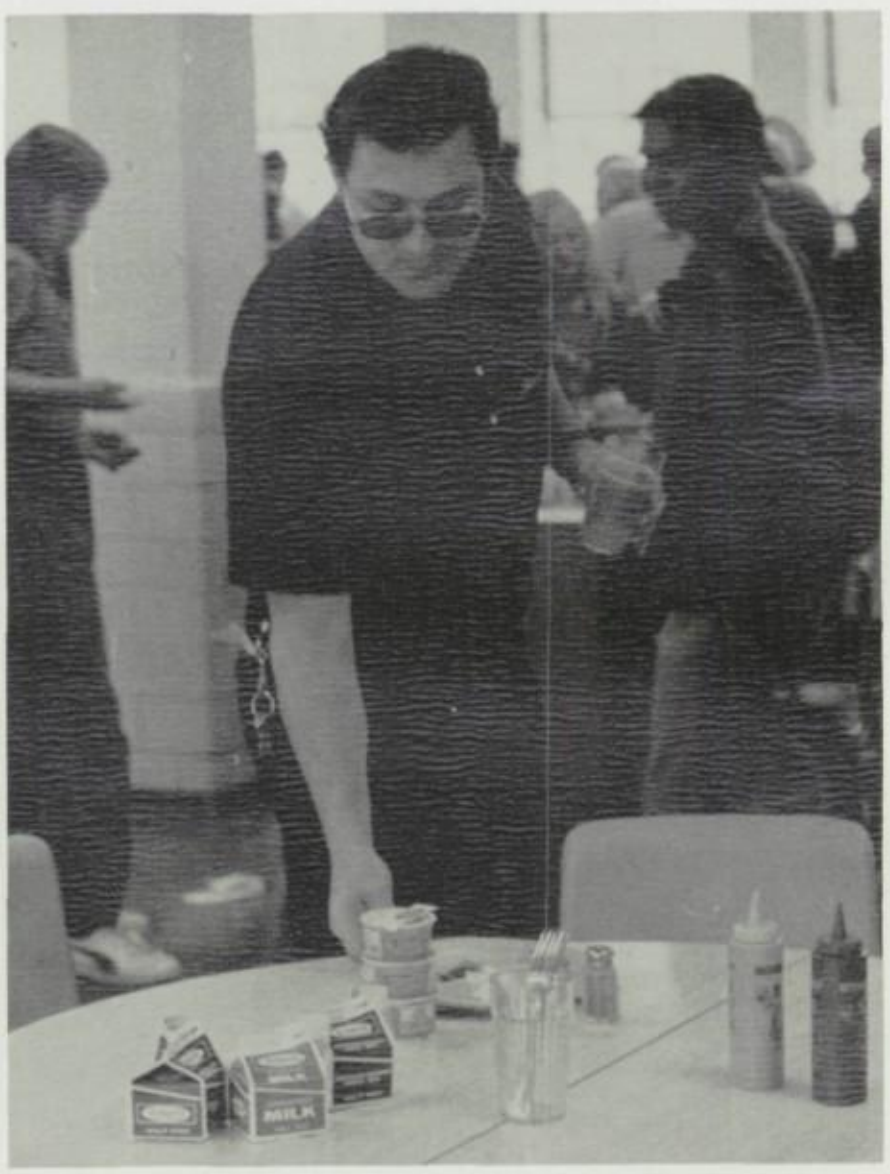
I think zee French butler did it.



It's so fun working with that cut-up.



I tried to cut the pep rally.



I wonder if I can get past Mr. Bonds with these?

Two centuries of oil

"THE END OF THE OIL AGE is in sight," says U. S. petroleum geologist M. King Hubbert. He bases his bell-shaped curve on estimated ultimate production of 2,000 billion barrels from the world's oil wells, including 300 billion barrels already used up by 1974 and 628 billion of now-proven reserves. His chart appears here against a portion of the world's largest refinery complex, at Rotterdam in the Netherlands. If present trends continue, Dr. Hubbert estimates, production will peak in 1995—the deadline for alternative forms of energy that must replace petroleum in the sharp drop-off that follows.

As the summer sun makes its change upon the moist spring earth bringing it to maturity and full growth, so this year at Marietta has made us think and grow and remember.

Spring comes with spring activities, and students begin to end the year, and make summer plans.

As the sun sets, all the memories of an exciting and fulfilling year at Marietta High School will be etched on our minds forever.

Is the sun really setting, or is it rising? For, as the sun sets on our high school days, it rises on the rest of our lives.

Its been fun English + Even if I haven't known you for very long I know you are real nice. I hope I have some classes with you next year.

Dear,
I didn't really get to know you till just a while ago (It looks like I must be drunk - the way I'm writing!) Ha... No I'm not drunk! I'm really glad I got to know you though! Thanks for helping me get through English. But it's hard to get in touch next year even if we don't have any classes together. I hope we do!
Love ya,
Carol Poole

Dear,
I'm really glad that we're both in English. But it's too bad we don't have any classes together next year. Well, I'll see you around.
Good Luck!

Jim Martin Class of 77

Lisa,

So a really sweet girl that I've enjoyed getting to know. I hate Biology. Don't you. I'll never forget the trying moments of touching a fetal pig! I'll never eat pork again. Consumer's Math was pretty bad, too. Mr. Johnson, the dum-dum, drove me wild. But we made it, and now we're big UPPER CLASSMEN with 2 years left. Lots of love to a great girl!!
